RE: RELEASE FORM

The CHSAA does not share the same governmental immunity that schools do. While we have insurance which covers you up to one million dollars, our lawyer believes that you could increase your personal protection and also protect the Association by having your Board of Education approve the attached resolution related to your service on the CHSAA Board of Directors, Legislative Council or CHSAA committee.

We do not need a copy of this; I suggest that you keep them on file in your office.

Don't hesitate to call if I can answer any questions.
