

STUDENT SENATE CLASS CONTRACT

- 1 I will remember at all times that I represent Highlands Ranch High School students, faculty and staff and that my behavior will be such that it will bring respect to leadership, the school, my family and myself.
- 2 I will follow the rules and regulations set up by the school and the individual classes of which I am a member.
- 3 I will maintain good citizenship and my grades in academics according to the Highlands Ranch High School Student Senate Constitution.
- 4 I will share equally in all duties of student government and leadership, which includes attending activities, wearing school colors on color days, wearing costumes on dress days, and being a positive influence on and off campus.
- 5 My attendance will be 100% unless I am at home ill and it is verified by a parent. Doctor visits are an exception. There is a zero cut policy. I will be on time to class and will come prepared.
- 6 If I have specific responsibilities and am going to be absent, I will have someone take my place.
- 7 If I am unable to complete my assigned job(s) I will notify the Advisor and the Leadership Team so that job will get done and will not "fall through the cracks".
- 8 I will be open and honest with my Advisor in all matters. If something is bothering me, I will go directly to my Advisor and not "cause waves" within the organization.
- 9 I will not discuss, outside of class, any items of business discussed in meetings that are not for the general public.
- 10 I will meet new individuals on campus and broaden my friendships so I can truly represent my peers.
- 11 I will include others in any and all StuCo activities as often and as to as great an extent as possible. I will help all Highlands Ranch students "do something" because...it is time!
- 12 Any involvement with hazing, insubordination, drinking, drugs, smoking, or stealing will be subject to removal from office or chair.
- 13 I will listen when others are talking and will practice good communication skills during class (and hopefully beyond ...) so that we may accomplish as much as possible with as few distractions.
- 14 I will not argue for argument sake. If I have a real problem with something, or someone, I will speak up!

My parents and I have read the above and agree to the contract as written.
