

Neutrality Priority When Assigning Officials to in Post Season/Travel Cost an Impact

Every effort will be made to cut the travel cost when assigning officials in the post season though the priority of assigning will be to maintain neutrality. In general if two teams are competing from different areas of the state, the officials will not be assigned from either of the areas of the competing teams. However if the teams are from the same area, the officials could be assigned from the same area or any combination of areas. Below is the legend for area basketball officials and a couple of examples.
