

Dear Coach / Athletic Director's –

Thank you for the opportunity to serve you our cookies and other items during both the Multi Sport and Athletic Director's conferences.

We typically raise between **\$75 - \$125 dollars in PROFIT** per team member – one team raised over \$300 each! We also tally, sort and pack each player's order for you...BEFORE it's ever delivered to the school. Literally, all you have to do is count your profit!

If you (or any other coach you're aware of) may need fundraising – please feel free to contact us for more info or to get started. We're a local, Colorado company – so you can be done and have your money in the team account within 2-3 weeks, finished!
