CHSAA RECOMMENDED HIGH SCHOOL MINIMUM FEE SCHEDULE

Varsity (2) ........................................ $60.00
Sub-varsity (2) .................................... $46.00
Varsity Doubleheader ............................. $120.00
Sub-Varsity Doubleheader ...................... $92.00
Varsity (3) .......................................... $60.00
Sub-Varsity (3) .................................... $41.50

A. Tournament Fees - During regular season play, leagues and schools have the option to establish tournament fees with officials groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.

B. 1. Mileage – 40 cents per mile. Exception see note 1 that follows: Note 1: The Confluence (except Campion); The 5280 (except Gilpin County); The Colorado 7 (except Fort Lupton, Elizabeth, Fort Morgan, Weld Central); The Jefferson County (except Conifer & Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and Broomfield, Denver Academy, Denver Christian, and Valor schools will not pay mileage between league cities, but will pay a mileage travel stipend of $2 to each official between league cities per day of assignments. Colorado Springs schools will pay mileage travel stipend of $2 per day of assignments to officials selected from the Colorado Springs Officials’ Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

2. Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

3. In lieu of per diem, a rider fee of $10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

4. It is recommended that, during the regular season only, assigners assign officials to a contest whose travel miles to a school is less than or equal to 75 miles round trip, thus resulting in a payment of no more than $30 for travel. If an official travels miles more than 75 miles round trip the official should be paid at the $.40/mile rate as listed above unless other arrangements are made with the officials by the school.

C. Individual Mileage Buffer

No mileage will be paid to an official whose town of residence is 20 miles or closer to the host school. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the $2 travel stipend.

D. Priorities

When a site or date change occurs, the officials originally assigned should be given the first chance to work the rescheduled game.

F. “No-Show”

1. In all other sports, when one official is a “no-show”, the other officials working the contest shall split 50% of the extra check. (Not to exceed 50% of standard fee).

2. Guidelines for “No-Shows”

Officials Associations must have on file with CHSAA a copy of their constitutions, rules, and by-laws that outline their disciplinary procedures for dealing with no shows as well as other CHSAA expectations. Schools should contact the CHSAA office and identify the officials so that the local officials associations can take action. Leagues and schools are encouraged to develop procedures for use in these situations as well.

CHSBUA “NO SHOW” POLICY

Any official who does not “show up” for an assigned game shall pay a fine equal to the game fee he would have received for the missed game. The Area Director may excuse the fine if there are extenuating circumstances, such as the official was never informed of the assignment.

Such fine shall be paid or appealed within seven (7) days of the Area Director’s written assessment of the fine. A second offense during the same season shall result in a double fine. A third offense will result in revocation of membership.

The NFOA Board of Directors has developed and officially adopted the following Code of Ethics for high school officials.

Declaration of Policy:

Schools have entrusted us to assist them in the educational development of their youth through athletics. The proper operation of such a process requires that officials be independent, impartial and responsible to people they serve. In recognition of these expectations there is hereby established a Code of Ethics for all officials. The purpose of the Code is to establish guidelines for ethical standards of conduct for all officials.

An official must devote time, thought and study to the rules of the game and the mechanics necessary to carry out these rules so that one may render effective and creditable service in a fair and unbiased manner.

An official must work with fellow officials and the state association in a spirit of harmony and cooperation in spite of differences of opinion that may arise during debate of points of rules at issue.

An official must resist every temptation and outside pressure to use one's position as an official to benefit oneself. Under all circumstances, officials must avoid promoting the special interest of any person or group of persons other than the athletes we serve.

An official must constantly uphold the honor and dignity of the avocation in all personal conduct and relations with the student-athletes, coaches, athletic directors, school administrators, colleagues, and the public, to be worthy example to the athletes under one's jurisdiction.

An official will be prepared both physically and mentally, dress according to expectations, and maintain a proper appearance that is befitting the importance of the game.

An official must remember and recognize that it is important to honor contracts regardless of possible inconvenience or financial loss.

Every member of the officiating profession carries a responsibility to act in a manner becoming a professional person. The conduct of any official influences the attitude of the
REPORTING PLAYER/COACH EJECTIONS

The CHSAA assesses penalties and maintains a five-year file on each school related to all aspects of conduct penalties and sportsmanship related incidents. This is done with a goal of supporting officials and maintaining the educational atmosphere of our activities.

Because of penalties involved, 100 percent reporting by officials is crucial. The following must be reported in writing:

-- Player ejections
-- Coach ejections
-- Coaches conduct penalties that do not lead to ejections
-- Instances of unsportsmanlike conduct by crowds before, during or after games.
-- Game management and facility problems that detract from the proper administration of the game.
-- Noteworthy instances of outstanding positive sportsmanship by players, coaches, crowds.

Because of the severe penalties involved, be sure that the offense warrants the penalty. NEVER contact a coach or the CHSAA following the game to reverse your decision.

PROCEDURES

In an effort to provide proper accountability with the administration of CHSAA member schools and their support for exemplary sportsmanship, officials are to follow these procedures when it becomes necessary to eject a participant or member of the coaching staff from a game. Needless to say, we urge preventative measures.
