

EJECTION POLICY AND PROCEDURES

General.

100% reporting by officials is crucial. The following must be reported in writing:

- Player ejections;
- Coach ejections;
- Coaches conduct penalties that lead to restriction;
- Instances of unsportsmanlike conduct by crowds before, during or after games;
- Game management and facility problems that detract from the proper administration of the game.

Because of the severe penalties involved, be sure that the offense warrants the penalty. **Decisions involving ejections cannot be reversed. Umpires are not to contact an Athletic Director, coach or anyone associated with the school following the game on any matter related to an ejection.** The matter may be discussed with an Area Director or a CHSAA or CHSBUA representative.

The CHSAA assesses penalties and maintains a five-year file on each school related to all aspects of conduct penalties and sportsmanship related incidents. This is done with a goal of supporting officials and maintaining the educational atmosphere of our activities.

Procedures.

In an effort to provide proper accountability with the administration of CHSAA member schools and their support for exemplary sportsmanship, officials are to follow these procedures when it becomes necessary to eject a participant or member of the coaching staff from a game. Needless to say, we urge preventative measures.

Notify CHSAA office no later than 8 AM the next business day. Please use the ejection form that is supplied on the CHSAA website:

PLAYER and COACH: (Please include ALL requested information INCLUDING THE PLAYER NUMBER where applicable):

1. Indicate to the person they are being ejected from the game.
2. Notify the official scorekeeper of the game of the ejection and have a notation placed in the record (scorebook) book.
3. Notify the school administrator at the site.
4. For a player, notify the coach of the ejection and the reason for the ejection.
5. For a coach, ask that he/she remove themselves from the playing area immediately.
6. If the head coach is ejected, ask the administrator in charge to identify the coach who is now in charge. A game shall be forfeited if there is not a certified person available to serve as coach.
7. Include the following:
 - a. The name of the schools competing and level of competition
 - b. The site and date of the game
 - c. The name and number of the player ejected
 - d. The school they represent
 - e. The reason for the ejection

Do not attempt to interpret the CHSAA policy pertaining to ejections. Once your immediate information is received by the CHSAA, the office will work with school administration on the prescribed corrective action with player and/or member of the coaching staff.
