# CODE OF ETHICS

**EACH OFFICIAL SHALL:**

1. Strive to be physically, mentally and emotionally prepared to work each game.
2. Have a thorough knowledge of the rules and mechanics of the game.
3. Strive to maintain consistency, control, and an attitude of professionalism throughout the game.
4. Use only the standardized signals and mechanics of the game.
5. Be dressed, groomed, and conduct oneself in a professional manner before, during and after the contest.
6. Always wear the official uniform in good condition.
7. Accept games only by the official contract, and honor contracts despite possible inconvenience or financial loss.
8. Report at the game sites in sufficient time to thoroughly carry out all pre-game duties.
9. Always treat other officials with professional dignity and courtesy, and avoid criticizing other officials publicly.
10. Strive to continuously seek self-improvement through study of the game, rules, mechanics and techniques of game management.
11. Members of Colorado Board Four shall not solicit game assignments from any individual or organization. An example of solicitation is paying any fee for preferential treatment.

**OBLIGATIONS OF COMPETING SCHOOLS**

1. Proper dressing facilities shall be provided (away from both competing schools).
2. Assume responsibility for crowd conduct.
3. Provide qualified timers and scorers.
4. Assume responsibility for sportsmanlike conduct of players and coaches.
5. Cooperate with the officials' association in matters of contracts, use of members, payment of fees, etc.

**RECOMMENDED HIGH SCHOOL MINIMUM FEE SCHEDULE  
(APPROVED BY THE C.H.S.A.A.) BASKETBALL (2 or 3 officials)**

Varsity (2).....	\$58.00
Varsity (3).....	\$50.00
Sub-varsity.....	\$44.00
Sub-varsity(3).....	\$38.50

A. Tournament Fees - During regular season play, leagues and schools have the option to establish tournament fees with officials groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.

B. 1. Mileage – 40 cents per mile. **Exception** see note 1 that follows: Note 1: The Confluence (except Campion); The 5280 (except Gilpin County); The Colorado 7(except Fort Lupton, Elizabeth, Fort Morgan, Weld Central); The Jefferson County (except Conifer & Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and Broomfield, Denver Academy, Denver Christian, and Valor schools will not pay mileage between league cities, but will pay a mileage travel stipend of \$2 to each official between league cities per day of assignments. Colorado Springs schools will pay mileage travel stipend of \$2 per day of assignments to officials selected from the Colorado Springs Officials' Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

2. Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

3. In lieu of per diem, a rider fee of \$10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

4. It is recommended that, during the regular season only, assigners assign officials to a contest whose travel miles to a school is less than or equal to 75 miles round trip, thus resulting in a payment of no more than \$30 for travel. If an official travels miles more than 75 miles round trip the official should be paid at the \$.40/mile rate as listed above unless other arrangements are made with the officials by the school.

C. Individual Mileage Buffer

No mileage will be paid to an official whose town of residence is 20 miles or closer to the host school. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the \$2 travel stipend.

D. Priorities

When a site or date change occurs, the officials originally assigned should be given the first chance to work the rescheduled game.

F. "No-Show"

1. In all other sports, when one official is a "no-show", the other officials working the contest shall split 50% of the extra check. (Not to exceed 50% of standard fee).

2. Guidelines for "No-Shows"

Officials Associations must have on file with CHSAA a copy of their constitutions, rules, and by-laws that outline their disciplinary procedures for dealing with no shows as well as other CHSAA expectations. Schools should contact the CHSAA office and identify the officials so that the local officials associations can take action. Leagues and schools are encouraged to develop procedures for use in these situations as well.

G. One Official Worked Contest for Volleyball

H. A single assigned or single self-assigned official to a contest will receive the posted single game fee. Exception: A Volleyball V/JV solo official shall be paid the single rate game fee and a half. Soph/Fresh shall be paid the single rate game fee.

I. Good Faith

When a school has made a good faith effort to contact an official of a postponement or overbooking, no fee shall be paid to any official. That same official shall have the first opportunity to work the canceled contest. When an effort to contact an official of overbooking or cancellation has not been made prior to the time an official has left to work the contest, 50% of standard fee plus any travel allowance due will be paid to an official who shows up to officiate the contest. Once a game or match is started, the official is entitled to the entire game or match fee. If a game is postponed, the same or new officials will be paid an entire game or match fee.

**ANNUAL BASKETBALL DUES**

**Inactive and Active dues must be received by April 15 each year. Dues received after April 15 will be assessed a late fee of \$45. Inactive dues shall be \$80, late fees apply after April 15<sup>th</sup>. Dues received after June 15<sup>th</sup>, there will be no guarantee that a handbook/directory or accompanying materials will be made available.**

**Dues received AFTER APRIL 15: Officials will NOT BE ELIGIBLE FOR POST SEASON ASSIGNMENTS.**

**ONLY ONE REQUEST FOR DUES PAYMENT WILL BE MAILED. REMIT TO COLORADO BOARD #4, 14855 E. 2<sup>ND</sup> AVENUE, AURORA 80011, PLEASE REMIT PAYMENT AFTER MARCH 1<sup>ST</sup>.**

**GOOD SPORTSMANSHIP** is largely a matter of habit. Attitude toward neighboring schools and toward other members of a student's school can be greatly influenced by the attitude of the coach and administrator and by the activities that are designed to call attention to desirable habits. It is a known fact that activities along the line of sportsmanship education that are sponsored early in the season have a great deal to do with the general conduct throughout the season.

Many schools have it desirable to use the first few games of the season to educate students and townspeople in matters pertaining to the ethics of competition. Sometimes these activities take the form of discussion by a group of trained cheerleaders or student club leaders and sometimes they take the form of clinics where the crowd is instructed relative to the new rules and relative to the policies of the State Association as a whole. **LIKE MOST WORTHWHILE THINGS, SPORTSMANSHIP DEVELOPS ONLY THROUGH EFFORT ON THE PART OF WELL-TRAINED LEADERS.** The reputation that a school builds up during a season may be greatly influenced by the initial impetus along the line of proper habits.

A little attention to matters of this kind early in the season will often make it unnecessary for an administrator to adopt corrective measures as the season progresses.

## **BY-LAWS**

### **ARTICLE I - QUALIFICATIONS OF MEMBERSHIP**

#### **SECTION 1 - WHO MAY APPLY**

Anyone who meets the qualifications outlined in Article III of the IAABO Constitution.

#### **SECTION 2 - HOW TO APPLY**

At the time of the National IAABO examination is administered, appear at one of the testing centers throughout the state, complete the written application, pay the fee, and take the written examination and the floor examination. Upon completion of the written examination and during the first two years of officiating meet one of the following: attendance at an approved camp, have an assessment performed or game evaluation, and other activities such as area seminars and supervised tournaments.

#### **SECTION 3 - REQUIREMENTS FOR ACTIVE MEMBERSHIP**

Colorado Board #4 members are required to attend a Regional Master Clinic every two (2) calendar years and a Rules Interpretation Meeting each year.

#### **SECTION 4 - REQUIREMENTS FOR PROVISIONAL MEMBERSHIP**

Each applicant shall complete the steps outlined in Section 2 of Article I of these By-Laws. Unless otherwise qualified as an Active Member, any applicant who scores 76% - 84% on the national IAABO test administered in the fall shall be granted Provisional status by each Director in the appropriate study area. Any official who moves into Colorado who is NOT a member of IAABO but is certified to officiate high school basketball by another state high school association recognized by the National Federation of State High School Associations shall be granted provisional status by each Director in the appropriate study area for a maximum of one year. Such a member has all the rights of an active member for one year with the following exceptions;

- (1) He/she may not hold office in the Board;
- (2) He/she may not officiate any playoff games, sub-district, district, or state tournament games;
- (3) He/she may not vote. This status of membership terminates on March 15, following the date of application.

#### **SECTION 5: REQUIREMENTS AND PRIVILEGES OF TRAINEE MEMBERS**

Each Applicant shall complete steps outlined in Section 2 of Article 1 of these By-Laws. Unless otherwise qualified as a Provisional Member, any applicant who scores 74% or less on the national IAABO test administered in the fall shall be granted Trainee status by each Director in the appropriate study area. A Trainee Member has the same status as a Provisional Member except that he/she may not officiate games at the varsity level. Area Directors are encouraged to establish at least two instructional classes for Trainee members in their area, and may condition the status as Trainee member on attendance at these classes. A member may serve only two seasons as a Trainee. If, at the beginning of his/her third season, he/she does not obtain active nor provisional status, he/she may not be a member for that year. He/she may reapply for active or provisional status in subsequent years, but may not be a Trainee member. Exceptions to this limitation may be given by the Executive Committee, for good cause shown, upon the request of the Applicant's Area Director.

#### **SECTION 6: REQUIREMENTS AND PRIVILEGES OF AUXILIARY MEMBERS**

Auxiliary members shall support the workings of the Board through any fund raising activities and through the development of outreach programs. Auxiliary members shall not have the rights, privileges, obligations or requirements of any other class of membership. Auxiliary members may also organize themselves into an auxiliary organization that shall be under the general jurisdiction of the Board of Directors and the Executive Committee.

#### **SECTION 7 - TERM OF MEMBERSHIP**

Subsequently, and as long as such member shall remain in good standing (to include: payment of all dues by the set due date, completion of all assessments/evaluations and testing requirements, comply with all meetings requirements) he/she shall be entitled to rights and privileges of membership and shall be bound by the rules and regulations expressed herein and by the Rules, Constitution and By-Laws of the Board.

## **SECTION 8 - LAPSED MEMBERSHIP**

A member who has allowed his/her membership to lapse for two or more years shall no longer be considered as a member of IAABO or this Board, and must follow the same procedures as any new applicant in order to again become a member of this Board. If, however, his/her membership has lapsed for less than two years, he/she may reinstate himself/herself by paying his/her delinquent dues through the Officials Office at the Colorado High School Activities Association. The member shall not be required to take either the written or practical floor test in order to reinstate his/her membership.

## **SECTION 9 - EXAMINATION**

1. Every registered basketball official is required to take an examination on an annual basis. The examination to be used will be determined by the Executive Committee.
2. If an official fails to complete the examination (or receives permission to substitute with another assessment), he/she will not be allowed to register with the Colorado High School Activities Association for the following basketball season. This regulation does not affect one's membership in IAABO.
3. In order to reinstate his/her membership, an official must take the exam the following year and must score 86% or higher. The exam will be given "closed book" and supervised. A person failing the exam may appeal his/her case before the Executive Committee.

## **ARTICLE II - DISCIPLINE OF MEMBERS**

### **SECTION 1 - GROUNDS FOR DISCIPLINE**

For the failure to comply with established authority or regulations of the Board, Districts, or Executive Committee, or for delinquency in payment of authorized charges, or for refusal or failure to promptly file reports requested by the Board or Executive Committee when the reports are pertinent to operation of the Board, or for any other conduct conclusively established to be contrary to the best interest of basketball, a member may have assignments restricted, or be suspended for not more than one year, or may be expelled, and/or fined.

### **SECTION 2 - APPEAL**

Any member who has been suspended or expelled by a District may appeal such suspension or expulsion to the Executive Committee of the Board whose decision shall be final. Any suspension or expulsion will be reported to IAABO.

### **SECTION 3 - JURISDICTION**

If a District shall fail to act under any of the causes set forth in Section 1, the Executive Committee may take jurisdiction and administer suspension or expulsion.

### **SECTION 4 - RIGHT OF HEARING**

A member charged with any offense shall have the right in a timely manner to be heard in person or by written statement made by him/her in his/her own defense. The Executive Committee will conduct the hearing.

### **SECTION 5 - DISCIPLINE NOTICE**

When a member is suspended or expelled, the Board or Executive Committee shall notify all concerned that such member is no longer able to accept assignments or officiate as a member of this Board. No member shall officiate knowingly with a suspended or expelled member.

### **SECTION 6 – OFFICIALS CONDUCT**

CHSAA game officials are expected to abide by the code of ethics for their respective associations, including proper, accepted social conduct. Violations of this by-law will be investigated and, if substantiated, the official may be suspended from the officials association and CHSAA contests for a specific period. Any official who has been suspended or expelled may appeal the action by an appearance before the CHSAA Executive Committee.

The decision of the CHSAA Executive Committee shall be final. This by-law allows the Association and officials' organizations to discipline officials who have been arrested or convicted of crimes. It allows the Association and officials' organizations to remove the offending official for conduct detrimental to interscholastic athletics and activities. All officials' organizations are required to place this by-law in their organization's constitution.

At the January 21, 1999, Board of Control meeting the board voted 54-0 to adopt Proposal S-1- Officials' Conduct. Athletic By-laws, Article 27, Rule 2760 to read: Any official who has been registered by his/her parent officials' group may be suspended and/or banned from the CHSAA registered list of officials for a specified amount of time (including a lifetime ban) by action of the officials' organizations' governing board, when: It has been shown that the official is guilty of unethical conduct; or The official refuses to promptly file reports requested by the Commissioner's office and such reports are deemed pertinent to the conduct of coach, contestant, official or school competing under the jurisdiction of the CHSAA; or If the official, as an adult, has been convicted of or has pleaded "guilty" or "no contest" to any criminal charge due to conduct that adversely affects the ability or appropriateness of the official to perform officiating duties in interscholastic athletics or activities; or If the official has engaged in any illegal, unethical, or immoral conduct that adversely affects the ability or appropriateness of the official to perform officiating duties in interscholastic athletics or activities; or it is deemed that the official's conduct is detrimental to interscholastic athletics and activities.

### **ARTICLE III - FEES AND DUES AND ASSESSMENTS**

#### **SECTION 1 - DISTRICT FEES**

Each District shall determine their own fees, dues and assessments.

#### **SECTION 2 - BOARD FEES**

The annual renewal fee shall be set by the Board of Directors, which will include the annual IAABO membership renewal fee, and must be paid by April 15 of the preceding year to avoid late registration fees and loss of membership in good standing status for the next season, as for the eligibility for post-season playoff assignments. Fees paid after April 15 shall not reinstate membership in good standing **status** for the next season and the rights of that member, including the eligibility for post-season playoff assignments, shall be suspended until the next fee cycle. If dues are paid after the April 15 due date, the member will incur a late fee set by the Board of Directors. The member will be eligible to work varsity game assignments, but will not be eligible to work post-season. If fees are paid for the next fee cycle by the April 15 due date, membership in good standing **status** shall be reinstated for the next season. If two consecutive fee cycle payment dates are missed, the member must re-apply for membership. The Executive Committee shall recommend changes in the annual fee to the Board of Directors, who shall have the final approval by a two-thirds vote of the representatives, or their proxy.

#### **SECTION 3 - REGISTRATION FEES**

A prospective member shall pay a registration fee, as determined annually by the Board of Directors, at the time he/she registered to take the examination for membership.

#### **SECTION 4 - SPECIAL MEMBERSHIP FEES**

Honorary members, elected by the Board of Directors, will be listed in the Directory without a fee.

### **ARTICLE IV - RULES OF PROCEDURE**

#### **SECTION 1 – QUORUM**

Quorums for the transaction of business shall be one-half of the total membership of the Executive Committee, and one-half of the duly elected District Directors or their proxy shall be a quorum for a meeting of the Board of Directors.

#### **SECTION 2 – EXPENSES**

Approved expenses of Board and Executive Committee members who have been duly elected and authorized to attend Executive Committee or Board of Directors meetings, or to otherwise travel on Executive Committee or Board business shall be paid from the funds of the Board per the Colorado Board #4 per diem rate related to mileage and reasonable meals, and room rate, directly incurred to that business.

### **ARTICLE V - OFFICIATING PRIVILEGES AND RESPONSIBILITIES**

#### **SECTION 1 - AREA RESTRICTIONS**

There are no restrictions upon members as to where they may officiate.

#### **SECTION 2 - TYPES OF GAMES**

Active members may officiate at any level of basketball they choose.

### SECTION 3 - WEARING OFFICIAL UNIFORM

While officiating games that come under the jurisdiction of the Colorado High School Activities Association, members must wear the official uniform of the Board. Executive Committee Uniform Criterion 16 May, 2010

- 1) The standard shirt will be black and white, vertically striped quarter sleeve with V-neck opening. All officials will have this shirt available. If the entire crew agrees, a modified black and white stripe (with wide black side panels), or gray pinstripe commercially manufactured officiating shirt will be allowed. The current IAABO patch will be affixed to the left chest area, and a 2" x 3.5" maximum American flag will be affixed to the left sleeve, two inches above the black trim band. All officials on the crew will wear the same style and color shirt.
- 2) Black beltless pants, pleated or flat front.
- 3) Black shoes with black shoestrings, and black socks
- 4) Solid black, long sleeved, pre-game jacket with or without IAABO patch on left chest. Must be provided by a basketball officiating uniform supplier and worn by all officials at all games.

**\*Note: An optional V-neck pre-game jacket has been approved for the 2016-2017 season and will use the following standards. It must be solid black in color, long sleeved and a v-neck styled jacket. A zippered neck is acceptable and the IAABO patch is optional. It is suggested that, if a patch is worn that it is affixed using double-sided fabric tape temporarily. Sewing a patch on such a jacket is NOT recommended. This style of jacket may be worn, if the entire crew agrees to wear it. If not all of the crew members have it to wear, then the traditional jacket will be worn by all crew members. (A picture of this experimental jacket is available on the CHSAA website.)**

- 5) Black whistle (unless other color allowed for special circumstances) with lanyard.
- 6) Uniform will be clean and neat at all times

### SECTION 4 - DRESS CODE

A member shall be neatly groomed. The Board of Directors may adopt specific recommendations yearly.

### ARTICLE VI - OFFICIATING FEES

A recommended schedule of fees for officiating games that come under the jurisdiction of the Colorado High School Activities Association shall be developed through cooperative action of the Executive Committee of the Board and the Colorado High School Activities Association. Establishment of such a fee schedule shall have no bearing on games that are not governed by the Colorado High School Activities Association. A member may officiate for a lesser amount or gratis in games sponsored by those unable to pay the recommended fee and where the official renders his/her service for the good of the game.

### ARTICLE VII - FINAL INTERPRETATION

Between meetings of the Executive Committee, the President, based upon input from the Executive Committee, shall have the authority to make interpretation of items in these By-Laws.

### ARTICLE VIII - AMENDMENTS

These By-Laws may be amended by a two-thirds (2/3) vote of the members of the Board of Directors or their proxy present at any regular meeting provided such proposed amendments are presented to the members in writing by the Secretary at least one week prior to the time a vote is taken.

### ARTICLE IX - PROXY VOTES

## **REMINDER:**

**2017-2018 Membership Dues are due by April 15, 2017 in order to avoid a late fee.**

**YOU MUST REGISTER ON THE ARBITER AT  
[WWW.ARBITERSPORTS.COM](http://WWW.ARBITERSPORTS.COM) IF YOU WANT TO  
DO ANY GAMES FOR REGULAR SEASON OR  
PLAYOFFS. THIS IS A REQUIREMENT. YOU WILL  
NOT SHOW AS PAID UNTIL YOU HAVE  
COMPLETED YOUR REGISTRATION.**

## **IMPORTANT REGULATIONS**

Under our Constitution and By-laws, there are several important requirements that should be known to all officials. Please note these carefully:

1. All officials should abide by the Code of Ethics as printed in this Handbook.
2. All officials are required to attend local rules interpretation meetings during the season. If an official does not attend at least three or meet local requirements, he/she may be dropped from the Association by action of the Board.
3. **The annual dues are due by April 15 each year.** If paid after April 15th, a \$45.00 late fee will be assessed. If dues are received after April 15, the official will not be a member in good standing and will not be eligible for Varsity game assignments. Inactive dues will be \$70 with a \$45 late fee after April 15<sup>th</sup>.
4. Inactive Membership – An inactive member is a previously active member who desires to remain affiliated with the Board but who gives up his/her right to officiate basketball games during the period this status of membership is effective. The Executive Committee only can grant this membership status, and only to a person who has been an active member for at least three (3) years immediately preceding his application for such status. Inactive member annual dues are the actual cost to Colorado Board #4.
5. Members must wear the official uniform. Uniforms will be readily available and there should not be an excuse for officials working games out of uniform.

### **The following uniform is mandatory effective MAY 05, 2013:**

While officiating games that come under the jurisdiction of the Colorado High School Activities Association, members must wear the official uniform of the Board. Executive Committee Uniform Criterion 16 May, 2010

- 1) The standard shirt will be black and white, vertically striped quarter sleeve with V-neck opening. All officials will have this shirt available. If the entire crew agrees, a modified black and white stripe (with wide black side panels), or gray pinstripe commercially manufactured officiating shirt will be allowed. The current IAABO patch will be affixed to the left chest area, and a 2" x 3.5" maximum American flag (red/white/blue) will be affixed to the left sleeve, two inches above the black trim band. All officials on the crew will wear the same style and color shirt.
- 2) Black beltless pants, pleated or flat front.
- 3) Black shoes with black shoestrings, and black socks
- 4) Solid black, long sleeved, pre-game jacket with or without IAABO patch on left chest. Must be provided by a basketball officiating uniform supplier and worn by all officials at all games.  
  
\*Note: An optional V-neck pre-game jacket has been approved for the 2016-2017 season and will use the following standards. It must be solid black in color, long sleeved and a v-neck styled jacket. A zippered neck is acceptable and the IAABO patch is optional. It is suggested that, if a patch is worn that it is affixed using double-sided fabric tape temporarily. Sewing a patch on such a jacket is NOT recommended. This style of jacket may be worn, if the entire crew agrees to wear it. If not all of the crew members have it to wear, then the traditional jacket will be worn by all crew members. (A picture of this experimental jacket is available on the CHSAA website.)
- 5) Black whistle (unless other color allowed for special circumstances) with lanyard.
- 6) Uniform will be clean and neat at all times

**RECIPROCAL OUT-OF-STATE MEMBERSHIP** - \$15.00 per year provided proper paperwork is received.

**APPEARANCE CODE** – Officials are expected to be groomed in a neat and professional manner at all times. Officials who take pride in their personal appearance will readily earn the respect of players, coaches, and spectators.

### **Appearance Guidelines**

Officials are expected to be groomed in a neat and professional manner at all times. Officials who take pride in their personal appearance will readily earn the respect of players, coaches, and spectators.

### **Appropriate dress is as follows;**

#### **Business Casual Attire**

##### **Women**

- Khaki, corduroy, twill or cotton pants or skirts, neatly pressed
- Sweaters, twinsets, cardigans, polo/knit shirts

##### **Men**

- Khaki, gabardine or cotton pants, neatly pressed
- Cotton long-sleeved button-down shirts, pressed, polo shirts or knit shirts with a collar
- Sweaters
- Leather shoes and belt

### **What Is Business Casual Clothing?**

Business casual clothing for men means a shirt with a collar such as a casual shirt, a polo shirt or a golf shirt worn with pants whether khakis, Dockers, or similar good looking brands. For women, it means casual skirts, dresses, pants and blouses.

Both men and women wear sweaters, vests, casual jackets, and accessories. In this environment, you will only rarely see suits, ties, and dress shirts which are worn to formal meetings outside of the workplace.

In general, denim, spandex, sweatshirts and pants, t-shirts, exercise clothing, sundresses, shorts and sandals/flip flops are inappropriate in a business casual workplace.

## **Dealing with Fans**

This memo provides guidelines for handling unruly spectator behavior. There have been situations where the officials have made a bad situation worse by engaging in conversation with these unruly spectators.

Officials assigned to officiate a contest are responsible for the conduct of the contest. Controlling crowds and crowd reactions are not within the officials' province. That responsibility falls to game administrators. If spectators begin to interfere with the conduct of a contest; cause an official to become distracted through continual and unrelenting verbal abuse; or berate players, coaches, or officials in an unacceptable or vulgar manner, officials should stop the action, report the spectator(s) to the home school administration or the nearest uniformed security officer and ask that they be restrained or removed from the facility. If the home school administration or uniformed security is unwilling or unable to comply and the official does not believe the contest can be safely continued, the official must declare the contest ended at that point. If no game administrator is present, as is often the case at sub-varsity contests, officials may have to call on coaches or other school personnel to remove an unruly spectator.

Officials should never engage directly with spectators. Under no circumstance should an official ever confront, challenge, rebuke, or threaten a spectator, or make gestures of any kind toward a spectator before, during, or after a contest.

Officials should respond to threats and vulgarity from spectators by using the same good judgment they utilize when ruling on a key play. Locate the game administrator, uniformed security personnel, coach, or other school personnel and request that the unruly spectator be removed. Addressing the spectator directly is a no-win situation and often serves to make a bad situation worse.

In summary, officials should not deal directly with spectators, but may ask game management to deal with disruptive spectators. The game may be temporarily halted until the situation is resolved, but terminating a game because of problems with spectators must be an absolute last resort. Following the ejection of a spectator, please file an incident report with CHSAA.

## REPORTING PLAYER/COACH EJECTIONS

The CHSAA assesses penalties and maintains a five-year file on each school related to all aspects of conduct penalties and sportsmanship related incidents. This is done with a goal of supporting officials and maintaining the educational atmosphere of our activities.

Because of penalties involved, 100 percent reporting by officials is crucial. The following must be reported in writing:

- Player technical fouls and ejections
- Coach technical fouls and ejections
- Coaches conduct penalties that do not lead to ejections: i.e., technical fouls, etc.
- Instances of unsportsmanlike conduct by crowds before, during or after games.
- Game management and facility problems that detract from the proper administration of the game.
- Noteworthy instances of outstanding positive sportsmanship by players, coaches, crowds.
- Because of the severe penalties involved, be sure that the offense warrants the penalty. NEVER contact a coach or the CHSAA following the game to reverse your decision.

### PROCEDURES

In an effort to provide proper accountability with the administration of CHSAA member schools and their support for exemplary sportsmanship, officials are to follow these procedures when it becomes necessary to eject a participant or member of the coaching staff from a game. Needless to say, we urge preventative measures.
