

**CFOA Mechanics Test
2015**

Each official is required to demonstrate his mechanics knowledge by passing a test approved by the CFOA Board with the passing score of 87% or better.

The test is 30 questions.

Passing the test with correctly answering 26 questions, or better, is a successful score.

Failure to pass the mechanics test means no playoff assignments for 2015.

Officials may look up answers in the CFOA Mechanics Manual and looking online in the CFOA website for amendments for 2015.
