Carryover Fouls - Bridges

*** If the foul occurs on the last timed down of the 2nd quarter, the scoring team may choose enforcement on the try or the 3rd quarter kickoff.

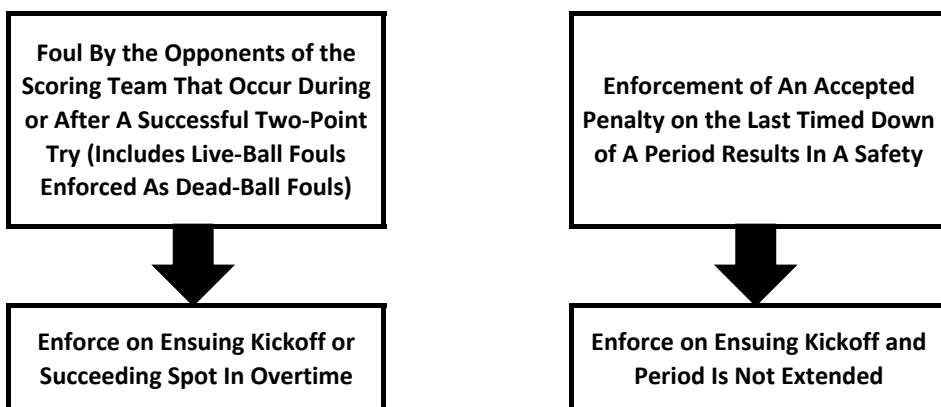

*** If the foul occurs on the last timed down of the 4th quarter, the scoring team MAY NOT choose enforcement in overtime (in the event a successful try would send the game to overtime).

*** If the foul occurs on the last timed down of the 4th quarter and the try is not needed for playoff qualifying, the penalty is not enforced and the game ends. If the try is necessary, the penalty can only be enforced on the try.

Note - Live-ball fouls by team B on unsuccessful try or by team A on successful try are enforced the same if they occurred during a regular scrimmage play. If team A commits a live-ball foul on an unsuccessful try, team B will likely decline the penalty.
