

**CFOA Playoff Video Review
2018**

Playoff Video Review for playoff eligibility for 2017 and 2018 will not be applicable.

The former policy which ended with the 2016 season was:

~~Each official desiring to work playoffs must complete a video review and answer a question pertaining to the videos.~~

~~The video review is a series of film clips and questions to confirm your knowledge of the situation after watching the clips.~~

~~Passing the review is required to be playoff eligible.~~

~~The video review will be offered through Arbiter from 7/15/16 to 8/24/16.~~
