

Procedure for Submitting Changes to the CFOA Mechanics Manual 2018

The CFOA Mechanics manual is designed to provide state-wide consistency. It was developed based on input from many officials in many areas of the state. It is anticipated that the Manual will be reprinted for the 2018 season or as necessary.

Recommended changes to improve the Manual should be submitted in writing to Scott Saucke at stsaucke@comcast.net by September 1 each year. Your suggestions will be reviewed by the CFOA Executive Committee and presented to the CFOA Board of Directors for consideration as necessary. Please include all of the following information.
