At meets employing a meet referee, the pay scale for that meet referee position will be \$10.00 more than the rate calculated for the officials judging the applicable meet or tournament.

Example for calculation of fees: In instances where the JV team is competing (along with their respective varsity teams) and they do not compete full teams, the number of JV competitors (from all teams) may be totaled to arrive at the appropriate number of teams for payment. For example: Team A competes six (6) Varsity and three (3) JV, and Team B competes six (6) Varsity and two (2) JV (per event). The TOTAL JV competitors are five, thereby creating only one more team for payment. The fee for this meet would be \$47.50 for a three-team meet. If the total JV competitors equal MORE than six in any event, the fees to be paid would increase to a four-team meet. THIS PROCEDURE IS APPLICABLE FOR JV ONLY, NOT VARSITY INVITATIONALS.

- A. Tournament Fees - During regular season play, leagues and schools have the option to establish tournament fees with officials groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.
- B. 1. Mileage – 40 cents per mile. **Exception** see note 1 that follows: Note 1: The Confluence (except Campion); The 5280 (except Gilpin County); The Colorado 7(except Fort Lupton, Elizabeth, Fort Morgan, Weld Central); The Jefferson County (except Conifer & Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and

Broomfield, Denver Academy, Denver Christian, and Valor schools will not pay mileage between league cities, but will pay a mileage travel stipend of \$2 to each official between league cities per day of assignments. Colorado Springs schools will pay mileage travel stipend of \$2 per day of assignments to officials selected from the Colorado Springs Officials' Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

2. Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

3. In lieu of per diem, a rider fee of \$10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

4. It is recommended that, during the regular season only, assigners assign officials to a contest whose travel miles to a school is less than or equal to 75 miles round trip, thus resulting in a payment of no more than \$30 for travel. If an official travels miles more than 75 miles round trip the official should be paid at the \$.40/mile rate as listed above unless other arrangements are made with the officials by the school.

C. Individual Mileage Buffer

No mileage will be paid to an official whose town of residence is 20 miles or closer to the host school. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the \$2 travel stipend.

D. Priorities

When a site or date change occurs, the officials originally assigned should be given the first chance to work the rescheduled game.

F. "No-Show"

1. In all other sports, when one official is a "no-show", the other officials working the contest shall split 50% of the extra check. (Not to exceed 50% of standard fee).

2. Guidelines for "No-Shows"

Officials Associations must have on file with CHSAA a copy of their constitutions, rules, and by-laws that outline their disciplinary procedures for dealing with no shows as well as other CHSAA expectations. Schools should contact the CHSAA office and identify the officials so that the local officials associations can take action. Leagues and schools are encouraged to develop procedures for use in these situations as well.
