

DIRECTIONS TO HIGH SCHOOLS AND SOCCER FIELDS

Here we tried to give you some idea of how to find where you might have to be going. If you have better directions than these or additional or different information, please contact Mary Van Allen at 719-481-3821 or va40@juno.com. Directions were garnered from ALL over. To access the school's website, if they have one, go to chsaa.org, click on Member Schools, click on the first letter of the school and then select the school. If they have a website, it will be listed. You can also try highschoosports.net to check to see if a school has a website.

In some cases, schools play at fields not located at the school itself—check with them or the assignor. In any case, **always check with the school before setting out for a game**—especially if it means a long trek.
