Colorado Association of Swimming Officials

2020-2021 DIRECTORY
Officials Code of Ethics 2020/2021

National Federation of State High School Associations

Officials at an interscholastic athletic event are participants in the educational development of high school students. As such, they must exercise a high level of self-discipline, independence and responsibility. The purpose of this Code is to establish guidelines for ethical standards of conduct for all interscholastic officials.

Officials shall master both the rules of the game and the mechanics necessary to enforce the rules, and shall exercise authority in an impartial, firm and controlled manner.

Officials shall work with each other and their state associations in a constructive and cooperative manner.

Officials shall uphold the honor and dignity of the profession in all interactions with student-athletes, coaches, athletic directors, school administrators, colleagues, and the public.

Officials shall prepare themselves both physically and mentally, shall dress neatly and appropriately, and shall comport themselves in a manner consistent with the high standards of the profession.

Officials shall be punctual and professional in the fulfillment of all contractual obligations.

Officials shall remain mindful that their conduct influences the respect that student-athletes, coaches and the public hold for the profession.

Officials shall, while enforcing the rules of play, remain aware of the inherent risk of injury that competition poses to student-athletes. Where appropriate, they shall inform event management of conditions or situations that appear unreasonable hazardous.

Officials shall take reasonably steps to educate themselves in the recognition of emergency conditions that might arise during the course of competition.

**OTHER ITEMS FOR BOARD OF CONTROL ACTION:**
A. **Tournament Fees** - During regular season play, leagues and schools have the option to establish tournament fees with officials groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.

B. 1. **Mileage** – 40 cents per mile. **Exception** see note 1 that follows: Note 1: The Confluence (except Campion); The 5280 (except Gilpin County); The Colorado 7 (except Fort Lupton, Elizabeth, Fort Morgan, Weld Central); The Jefferson County (except Conifer & Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and Broomfield, Denver Academy, Denver Christian, and Valor schools will not pay mileage between league cities, but will pay a mileage travel stipend of $6 to each official between league cities per day of assignments. Colorado Springs schools will pay mileage travel stipend of $6 per day of assignments to officials selected from the Colorado Springs Officials’ Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

2. Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

3. In lieu of per diem, a rider fee of $10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

4. It is recommended that, during the regular season only, assigners assign officials to a contest whose travel miles to a school is less than or equal to 75 miles round trip, thus resulting in a payment of no more than $30 for travel. If an official travels more than 75 miles round trip the official should be paid at the $.40/mile rate as listed above unless other arrangements are made with the officials by the school.

C. **Individual Mileage Buffer**
No mileage will be paid to an official whose town of residence is 20 miles or closer to the host school. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the $6 travel stipend.

D. **Priorities**
When a site or date change occurs, the officials originally assigned should be given the first chance to work the rescheduled game.

F. **“No-Show”**
   1. In all other sports, when one official is a “no-show”, the other officials working the contest shall split 50% of the extra check. (Not to exceed 50% of standard fee).
   2. **Guidelines for “No-Show”**
      Officials Associations must have on file with CHSAA a copy of their constitutions, rules, and by-laws that outline their disciplinary procedures for dealing with no shows as well as other CHSAA expectations. Schools should contact the CHSAA office and identify the officials so that the local officials associations can take action. Leagues and schools are encouraged to develop procedures for use in these situations as well.

CASO ACCOUNTABILITY PACKET

AREAS TO BE ADDRESSED TO ENHANCE OUR ASSOCIATION ACCOUNTABILITY:
1. Evaluation system of all officials
2. System of recruitment, training and testing of all officials
3. Procedures for assignment of all officials to provide equity and parity with respect to opportunities
4. Association procedures for contracted “no shows”

EVALUATION SYSTEMS OF ALL OFFICIALS – STANDARDS COMMITTEE
In response to the need for greater accountability, the Colorado High School Activities Association has required that each group of officials provide a system within each organization. The Area Directors have agreed to adopt the following methods of organization. Each district must adopt a Standards Committee and each district will decide the membership of this committee

* DESCRIPTION AND PURPOSE:
The purpose of the committee is to ensure adherence to the Constitution and By-laws of the district and the State CASO organization, to evaluate and establish standards of performance and serve as a liaison between the district and schools/coaches.

* RESPONSIBILITIES
The Standards Committee will insure compliance with the rules and regulations of the local and state organizations. Among the responsibilities of the committee is the EVALUATION of the district’s standards of performance. The committee shall maintain COMMUNICATION between the district and competing organizations. The committee shall also assure the PARTICIPATION of the district’s members in the organization.

1. EVALUATION: The committee shall seek means of improving member performance.
2. COMMUNICATION: The committee shall seek to inform school officials/coaches of the district’s commitment to excellence. The committee shall also seek district participation in the “draw” selection of officials for meets in the district’s area of service.
3. PARTICIPATION: The district has determined that membership participation in the organization is essential to maintain a high level of professionalism. Therefore, the committee shall insure attendance at meetings of the organization and shall have the power of discipline in this and other matters.

The CASO District Secretary/Treasurer will monitor attendance at meetings and maintain the responsibility of notifying members of scheduled meetings.
1. Members must be notified at least 30 days prior to a scheduled meeting, including those deemed as “mandatory” meetings.
2. Members shall attend all meetings. Members missing more than one District meeting or assigned swim meet shall be placed on a probationary status as a member of the District.
3. The District Secretary/Treasurer shall inform the Standard’s Committee and the member involved of any violations immediately. The member has 30 days from the day the probation occurred to make a written response to the Standard’s Committee, at which time the committee shall determine the membership status.
4. Upon receipt of the individual’s explanation in the matter, the Standard’s Committee shall deem the response as “acceptable” of “unacceptable” and shall notify the individual and the membership of the district.

*The TRAINEE must use the training meets to become thoroughly familiar with all working facets of meet administration as well as CURRENT HIGH SCHOOL RULES.
1. Training and testing should only occur through one season, with new recruits only being accepted when each district has evaluated their needs well in advance. It is also recommended that new officials be accepted at the beginning of seasons to assist in record keeping at all levels.

PROCEDURES FOR MEET ASSIGNMENTS OF ALL OFFICIALS TO PROVIDE EQUITY AND PARITY WITH RESPECT TO THE OPPORTUNITIES OF MEETS SCHEDULED.
- It is the responsibility of each District to create a method by which officials are chosen through communication with school representatives.
- Each district should generate an officials list with personal information (address & phone), dates of possible conflicts, etc. for the above method.
- After the selection of officials has taken place, a district meeting should be held to finalize the schedule of officials, and then school representatives should be given the final schedule from which to generate individual contracts.

Association procedures for contracted “NO SHOWS”
- Each official is an independent contractor with each school district. Each CASO district must be sure that each official fills his or her contracted jobs.
- As was stated earlier, the responsibility rests with the District’s Standards Committee to make decisions regarding violations of contracts.
The intent of this program is to provide quality CASO officials and to strive for excellence in the sport of swimming in Colorado. Officials are on the deck for the benefit for the student swimmer.

**CONSIDERATION FOR POST SEASON ASSIGNMENTS**

If you wish to be considered as an official for the state meet, please read the criteria below. Then, using The Arbiter website, you must apply to work the meet.

Only certified, patched officials are eligible to officiate the state meet. CHSAA will select the officials and assign them as they see fit. Their decision is final. Participation on deck at a state meet is an honor and a privilege, and should never be seen as an entitlement.

**TO BE CONSIDERED AS A STATE MEET OFFICIAL, YOU MUST HAVE:**

1. Scored 80% or higher on the open book test

2. Officiated a minimum of 6 meets during the season. This number may be lower if working in an area of the state that only has a minimum number of meets held each season.

3. Paid your annual CASO membership dues and be a member in good standing with the organization.

4. Meet the deadline to apply for the state meet.

5. Attended the required annual Swim/Dive clinic. View all required video classes.

6. Consistently applied and implemented National Federation rules and CHSAA rule modifications of the sport, including official's uniform code.

7. Three full year’s prior certification as a patched CASO official.

REMINDER:

You MUST register on the Arbiter at www.arbitersports.com in order to complete your CHSAA registration. The only way you will be able to take the test and to show as paid is by registering on the arbiter. This is mandatory of all officials who want to officiate any games during the 2020-2021 season.
Dealing with Fans

This memo provides guidelines for handling unruly spectator behavior. There have been situations where the officials have made a bad situation worse by engaging in conversation with these unruly spectators.

Officials assigned to officiate a contest are responsible for the conduct of the contest. Controlling crowds and crowd reactions are not within the officials’ province. That responsibility falls to game administrators. If spectators begin to interfere with the conduct of a contest; cause an official to become distracted through continual and unrelenting verbal abuse; or berate players, coaches, or officials in an unacceptable or vulgar manner, officials should stop the action, report the spectator(s) to the home school administration or the nearest uniformed security officer and ask that they be restrained or removed from the facility. If the home school administration or uniformed security is unwilling or unable to comply and the official does not believe the contest can be safely continued, the official must declare the contest ended at that point. If no game administrator is present, as is often the case at subvarsity contests, officials may have to call on coaches or other school personnel to remove an unruly spectator.

Officials should never engage directly with spectators. Under no circumstance should an official ever confront, challenge, rebuke, or threaten a spectator, or make gestures of any kind toward a spectator before, during, or after a contest.

Officials should respond to threats and vulgarity from spectators by using the same good judgment they utilize when ruling on a key play. Locate the game administrator, uniformed security personnel, coach, or other school personnel and request that the unruly spectator be removed. Addressing the spectator directly is a no-win situation and often serves to make a bad situation worse.

In summary, officials should not deal directly with spectators, but may ask game management to deal with disruptive spectators. The game may be temporarily halted until the situation is resolved, but terminating a game because of problems with spectators must be an absolute last resort. Following the ejection of a spectator, please file an incident report with CHSAA.
