October 2018

Site Directors, Director of Athletics, and IAABO#4 Basketball officials:

On behalf of the CHSAA and the member schools competing in district, region, and state tournaments, we would like to thank you in advance for offering your facility and/or finding a facility, or running one of the many CHSAA selected sites and assuming the role of tournament director. On behalf of the CHSAA and the member schools competing in district, region, and state tournaments, we would like to thank the IAABO #4 post-season applicants in advance for offering their time and efforts to officiate this post season. 1A, 2A, and 3A district site directors, remember to work in cooperation with your officials’ assignors to use the The Arbiter website to do your officials’ assignments.

It takes 3 people to run a successful tournament: The School Administrator, the Athletic Director, and the Coach. These people are responsible for the maintenance of positive competitive athletics and good sporting behavior that all help lead to a well-organized and successful post-season tournament. Principals and Coaches need to lend their support by observing the following: the Principal, Director of Athletics, or another authorized school official should be in attendance whenever his/her school participates; make yourself available to the CHSAA administrator or the host school administrator in charge of the site, as needed. Principals are ultimately responsible for the conduct of their students and spectators.

The coach shall remain under control and on the bench or in the coach’s box at all times. Coaches are primarily responsible for the conduct of their team and others who sit on their bench. Also, setting a good example for spectators eliminates some potential problems. Each CHSAA school is asked to publicize the post-season tournament in its local media, school newspaper, social media accounts, and over their school public address system and school website. Refer to the CHSAA website for bracket information: CHSAANow.com.

If any additional questions arise, please call our office 303-344-5050 and speak with my Executive Assistant, Whitney Webermeier, or me.

Good Luck in your post-season participation,

Bert Borgmann

Assistant Commissioner/Basketball

POST SEASON GATE LIST/PHOTO SUBMISSION

A gate list must be submitted to the CHSAA office for the 5A Great 8 Tournament (March 2-3), and the State Championships (March 8-10). Deadline for gate lists and photos to be included in the State Program is February 23, 2018. After this date you may no longer change your gate list/photo for the program. A team may submit a new gate list for entrance into the state tournament up to Wednesday March 8th at 10:00 am. After 10:00 am you must print a copy of the gate list and bring with you to the tournament. Without a gate list, your team will not be permitted entrance into the venue or will pay for all members of the team.

The gate list is an interactive form that is sent directly to the CHSAA office, and will kick back a copy to the submitter to be used for districts/regionals if desired. You can find the link below or at chsaa.org under the basketball page:

http://www2.chsaa.org/sports/basketball/gatelist.asp
Submit team picture to: submit@kukulskipublishing.com

TEAM ADMITTANCE
The CHSAA allows the following people in free at the players’ entrances:

19 total for 1A, 2A schools (Example: 12 players, 2 coaches, 1 manager, 1 scorekeeper, 2 statisticians, and 1 other)
Only 13 personnel will be allowed to sit on the bench. No additional chairs may be added.

21 total for 3A, 4A & 5A schools (Example: 12 players, 3 coaches, 1 manager, 1 scorekeeper, 2 statisticians, 1 trainer, and 1 other)
Only 15 team personnel will be allowed to sit on the bench. No additional chairs may be added.

NOTE: These numbers must include players, manager, coaches, scorer, trainer, etc. This number does not include spouses, family members, etc. If you do not list you trainer or scorer on your gate list they will not be admitted at the team entrance. The scorer may purchase a ticket and we will direct them to their seat at the scorer’s table. Trainers will not be allowed on the floor unless listed on the gate list.

SITE DIRECTOR AND GENERAL PLAYOFF INFORMATION

PRE-GAME PLANNING
Although it is necessary that one team be designated as the home team at common sites, keep in mind that the game belongs equally to both competing schools. It is recommended that a pre-game planning meeting be held by the tournament committee/host school to cover details connected with the staging of a post-season contest and all participating schools are informed of the game planning. The site director shall provide participating schools with a written document that contains the following information: game times, locker room arrangements, need for roster information for a program, gate lists for teams, ticket prices for fans, spectator seating arrangements, pep band and cheerleader arrangements, parking directions for teams and spectators, concession availability, sporting behavior expectations, and any other items to help the tournament run smoothly.

BASKETBALL BENCH CONDUCT AND SPORTSMANSHIP
Each basketball season, the CHSAA office receives questions regarding acceptable bench conduct by the Head Basketball Coach and his/her assistants. The questions generally stem from what is interpreted as acceptable behavior. The following material is intended to provide some insight and guidance for coaches and officials alike.

Officials should permit certain behavior by the head coach who engages in spontaneous reactions to officiating calls and non-calls provided the coach remains in the coaching box and the reaction is not prolonged, profane, vulgar, or threatening.

Coaches and bench personnel are expected to adhere to the specific rules set forth in NFHS Rule 10. Repeated violations of those rules should result in a technical foul being assessed against the coach or other bench personnel. More egregious conduct violations while inside or outside the coaching box, should be properly and consistently penalized with a technical foul without warning.

Examples of egregious conduct violations which should be penalized include, but are not limited to, the following:

1. Comments directed at or referring to any game official that question the integrity of an official. (repeated references to the foul count against each team; suggesting an official is “cheating” or “home towning” a team, etc.)

2. A negative response to a call/no-call including, but not limited to approaching/charging an official in a hostile, aggressive or otherwise threatening manner; emphatically removing one’s coat in response to a call/no-call or throwing equipment or clothing on the floor; thrashing arms in disgust; running or jumping in disbelief; or, other actions deemed to incite undesirable crowd reactions.

3. Non-Verbal, without motion or movement that is perceived to show up an official.

COACHING BOX
The head coach may be off the bench in front of his or her seat within the confines of the designated coaches’ box to give instructions to his or her players and/or substitutes. The box shall be outlined outside the court on the side where the scorers’ and timers’ table and team benches are located. The area shall be bounded by a line drawn 28 feet from the end line toward the division line. These lines shall be located off the court and be two inches wide (2017-2018 NFHS Basketball Rules Book, page 14, Rule 1, Section
13, Article 2). Game officials have been instructed by the CHSAA Office to prohibit coaches from standing, per NFHS rules, if the coach box is not marked appropriately as noted in 1-13-2.

Regardless of the situation, it is in everyone’s best interest for coaches and officials to work together to bring about the best possible event for our student-athletes. One key way to achieve this:

Coaches: wait until an official makes his way toward you in the normal course of the game or during dead ball periods to make your point in a civil manner in close proximity.

Officials: when you know the coach wants to speak to you, make your way towards the coach so they can make their point in a timely and less boisterous manner.

Cooperation from both parties in this manner will result in greater understanding and a better atmosphere for all.

UNIFORMS—NF Rule Book, Rule 3, Sec. 4, Article 1 (pages 23-24)
The home team must wear white uniforms and the visiting team dark for all post-season contests. Schools should bring their away and home uniforms to each post-season game.

GAME BALL
See the Wilson page for post season basketball requirements (page 4).

PRESS ACCOMMODATIONS
The host school is responsible for providing and supervising proper accommodations in the press area. Press seats should be reserved for members of the media whenever possible. The media has been advised to call ahead with requests. Schools are reminded of the importance of maintaining good public relations and are encouraged to cooperate fully with members of the media.

Press accommodations will be provided at final week sites in accordance of the respective site and the areas reserved for the media. In some cases, it may be floor level and in other situations it may be above floor level.

MEDICAL SERVICES
Proper medical services should be provided, as warranted. The site director will insure that an ambulance and/or paramedics are available or on call. It is strongly recommended that a physician and/or trainer be present at all post-season contests.
SCHOOL BANNERS
Plastic or cloth school-identifying banners are okay; paper banners are NOT allowed. Hand held placards cannot obstruct view of spectators behind those holding the signs. All banners should be positive or encouraging in content.

REPORT GAME SCORES
Site directors please report playoff game scores promptly to Maxpreps, and the CHSAA office via email: wwebermeier@chsaa.org or bborgmann@chsaa.org.

ROSTER AND SQUAD SIZE
Each school may suit as many as 12 players for the post-season tournaments, which includes district level and above. The roster may change from game to game but can never exceed the limit of 12 in uniform per team at districts, regionals or state playoffs. Teams violating this rule shall forfeit the contest.

**NEW** SPORTSMANSHIP RULE
Sportsmanship Rule comes into play after three quarters of play and when there is a 35-point or greater difference in score. A running clock will be implemented and shall stop only for called timeouts, injuries and free throws.

Statement from Basketball Committee:
By nature, Sportsmanship or Mercy Rules are developed as safety precautions in those sports where physical contact supremacy could lead to catastrophic injury (Football, etc.), or physical overuse by players (softball, baseball, etc.). More recently, sports have implemented “mercy rules” as a way to mitigate the humiliation of one team by another.

The committee is implementing what it calls a “Sportsmanship Rule” because the sports coaches have shown a lack of sportsmanship, empathy and creativity to keep outrageous scores from happening. The CHSAA Basketball Committee strongly encourages individual schools to establish an accountability process to address coaches who routinely push scores to unacceptable limits.
V. **TOURNAMENT DIRECTOR RESPONSIBILITIES:**

As a host of a post season game or tournament, it is important to understand your responsibilities. Below is an overview of these responsibilities.

CHSAA Playoff reporting form and monies should be submitted to the CHSAA office within ten (10) business days following the conclusion of the event.

NOTE – All visiting schools MUST receive a copy of the report for their records.

NOTE - In order to defray expenses, the host school shall consider all ways to decrease costs. The use of volunteers (parent, booster or student organizations) is encouraged. Only absolute and necessary workers should be hired. Hospitality should be limited and the numbers of officials should be hired as directed by the Legislative Council.

VI. FACILITIES:
A. If a district or regional elects to use a rented facility, the cost for the rental must have prior approval by the CHSAA Commissioner and a majority of teams in the district or regional. The rental cost is then incurred by the host school or if prior agreed upon by a majority of teams involved, this cost can be shared by all schools.

B. If a district or regional hosted by a school is required to use a rented facility, the cost for the rental is shared by all schools in the district/regional and is not included in the 20% host expense.

C. Great 8 and beyond when choosing to use a facility that charges a set amount for expenses, but not owned by a school district, the Commissioner may approve the participating school(s) to pay for additional expenses, with prior approval.

VII. ADEQUATE FACILITIES ARRANGEMENTS:
In the playoffs, the Commissioner has the authority to select the site based on the adequacy of the seating, field conditions, court size, etc. Football host teams must have approval.

IX. OFFICIALS’ EXPENSES:
A. Officials will be assigned by the CHSAA for all post season play. These assignments can be found in the Arbiter.

B. Mileage – 40¢ per mile – Mileage for metro areas will be $2.00 per day. Travel mileage for all playoffs will be calculated by Arbiter using zip code to zip code.

  1. Only one driver will be paid for each contest. This will be paid to the official on the crew who travels the furthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

  2. In lieu of per diem, a rider fee of $10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.
3. A hotel allowance of $40 is paid to any official traveling over 50 miles one way (100 miles round trip) only while officiating a multi-day tournament.

C. When the CHSAA office is responsible for paying mileage to state events, the Board of Directors will determine the amount paid.

CHSAA will make payment to officials for the following rounds:
1A, 2A, and 3A state tournament games, including consolation round; 4A “Great 8”, Final Four and Championship; 5A, “Great 8”, Final Four, and Championship through Arbiter Pay.

X. VISITING TEAM(S) REIMBURSEMENTS: (Travel, Meals, Hotel)
The host of any post season game/tournament is responsible for figuring visiting team(s) reimbursements. These reimbursements are NOT intended to cover 100% of visiting team actual expenses, but help offset any expenses incurred. This reimbursement is guaranteed to the visiting team(s) unless all participating teams agree to no reimbursement prior to the game/tournament.

Head-to-Head Guarantee
A. If two teams are in a playoff and the host school will not guarantee expenses of the team designated to travel and that team will guarantee the expenses of the designated host school, then the site shall be reversed, and the host team will be required to travel. (Note: In either case, the school originally assigned the host role, will retain that status for the purpose of charged home contests and coin flips.)

B. If neither team will guarantee the expenses, the game will be played at the designated site as assigned by CHSAA and both teams will share in the deficit. The school originally determined to host will prepare and submit the required CHSAA financial statement.

Multi-Team/Tournament Guarantee
A. In district and regional tournaments involving three or more schools, the host school shall receive 20% of the gross for expenses to conduct the tournaments. If the additional expenses to conduct a tournament exceed the 20%, by prior mutual agreement by all participating schools, all schools will share in the deficit.

B. In all situations in which the home school is responsible for guaranteeing the expenses of the visiting schools, all schools must negotiate an understanding of what expenses will be paid preferably as soon as possible after the opponents are determined.

XI. TRANSPORTATION ALLOWANCE:
A. Teams traveling under 120 miles round trip will be reimbursed a flat-rate of $90.
   • This flat-rate is to cover mileage and meals for the visiting team(s).

B. Reimbursement will be paid $.05 cents per mile based on actual participants.
   • Number of participant’s x round trip mileage x $.05

C. Teams traveling over 120 miles round trip will be reimbursed using the above calculation.

XII. MEAL ALLOWANCE:
A. Meal allowance, where permitted in team competition, may apply at all district, regional and state playoff tournament levels when travel is in excess of 60 miles (road miles one-way) or 120 miles round trip, and/or involves overnight lodging for tournament play.

B. The meal allowance for all sports in all district and state playoff tournaments will be as follows:

<table>
<thead>
<tr>
<th>Meal</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Breakfast</td>
<td>$4.00</td>
</tr>
<tr>
<td>Lunch</td>
<td>$5.00</td>
</tr>
<tr>
<td>Dinner</td>
<td>$6.00</td>
</tr>
</tbody>
</table>

C. Meal allowance is based on the maximum number of participants allowed for reimbursement shown in the transportation section.

   Note – The meal reimbursement formula is NOT pre-set in the T&PF reporting form and needs to be calculated manually.

D. The above meal allowance does not pertain to the host school.

XIII. HOTEL ALLOWANCE:
A. Hotel allowance will be $12.00 per night for actual participants based on the number shown in the transportation section.

B. A team must travel at least 200 miles one way before overnight lodging is allowed. It must travel 325 miles one way before the second night lodging is permitted. Hotel lodging should be approved in advance by the Commissioner.

   Note - Hotel reimbursement does not apply to two-day state tournaments.

   Note - The hotel reimbursement formula has been pre-set in the T&PF reporting form.

C. In the event a two-day tournament or more is involved, schools must receive prior approval from the CHSAA Office for the allowable number of overnight lodging and corresponding meals. This will be predicated on the scheduled starting time of the school's first contest, weather conditions, and overall distance from the site. Note, for single-day tournaments, the conditions as indicated above will apply.

D. In the event of an emergency such as a storm, and the traveling team is forced to remain longer, a contingency fund will be set up by the CHSAA to defray unexpected expenses. Such hardship cases will be decided by the Commissioner. If the balance of the contingency fund is unable to cover costs, it will be prorated among the affected schools.

E. Hotel expenses will only be allowed for actual overnight used.

XIV. ALLOWABLE EXPENSES:
A. Maximum host school allowable game expense:

<table>
<thead>
<tr>
<th>Sports Great 8 &amp; Beyond</th>
<th>Maximum</th>
</tr>
</thead>
<tbody>
<tr>
<td>1A &amp; 2A</td>
<td>$400</td>
</tr>
</tbody>
</table>
B. The allowable expenses are not intended to cover all expenses incurred, but rather to help offset them.

C. At the discretion of the host school, expenses in employing police may be added to the maximum allowable game expense. Expenses must be itemized.

D. In emergency situations which make it impossible for the home school to stay within the above allowances, the Commissioner may approve deviations from the maximum allowable expenses.
   1. Bleachers moved in is an expense of the host school.
   2. Snow removal is the financial responsibility of the host school.

E. In the case of a weather emergency during a state playoff contest, additional team expenses for meals, lodging and transportation incurred may be reimbursed from the contingency fund upon application to the Commissioner or designee.

XV. FEES COLLECTED BY CHSAA
   C. In basketball, soccer, volleyball, wrestling, field hockey, lacrosse, baseball, and softball in the District, Regional and Final playoffs, CHSAA will receive 20% of the adjusted gross receipts.

   D. Starting with great 8 round, any game hosted at a school site, CHSAA will receive 10% of gross receipts and 70% of net proceeds, after expenses have been paid for all playoff games. The two participating schools will divide (equally – 15% each) the remaining 30% of the net proceeds. Allowable expenses will be applied. *

* - This would only pertain to Boys and Girls 4A Great.

DISTRICT AND REGIONAL TICKET PRICES
District prices are the minimum admission prices for CHSAA basketball post-season games. By mutual agreement, participating schools may charge more than the following minimum prices. However, past experience has shown that public relations are enhanced if people are paying the same price for the same class of game at every location.

   K-12 Students & Senior Citizens (60 & older) $5.00

Colorado High School Coaches Association membership cards admit only the issued bearer of the card with proper photo ID. Individuals with a CHSCA membership card but no ID will NOT be admitted.

**COACHES’ RESPONSIBILITIES**
Coaches are responsible for their players’ conduct and are requested to work with them to ensure proper conduct and sporting behavior during the entire tournament. Coaches are reminded that the coaching box rule is in effect, and the officials will be expected to enforce this rule. Game officials are not responsible for player conduct.

**SCHOOL ADMINISTRATORS**
The expectation from the CHSAA is that the administrative and basketball coaching staff from each respective school will hold their fans to the expected behavior guidelines outlined in the CHSAA “2017-2018 Game Management and Sportsmanship Expectation Guide”. Administrative staff should be available to respond to any concerns if called by the site director, CHSAA personnel or public-address announcer.

**1A/2A/3A SCHOOL ADMINISTRATOR MEETING**

**BALLOONS**
Balloons are not allowed in any venue. Please work to make your booster groups and parents aware of this restriction.

**SCHOOL SIGNS / BANNERS**
Signs and banners may be used, but must be sanctioned by the Principal, and/or Director of Athletics before the game. Please note: Some venues used for CHSAA post-season games may not allow any signs or banners. Please check in advance of your school’s game to see if this is the case at the venue where you will be playing. Paper spirit banners are not allowed at CHSAA post-season sites. The words and graphics on signs and banners must be positive: i.e. “outscore”, “conquer”, etc; Negative banners: i.e. “kill”, “maim”, 

“scalp”, etc, will be confiscated and may result in no future use of banners for that respective school. Hand held signs must not block the view of others.

**NOISEMAKERS**
Artificial noisemakers are prohibited: cow bells, thunder sticks, air horns, amplified instruments, drums, whistles, megaphones, bleacher kicking and other disruptive noisemakers, as per CHSAA and National Federation basketball rules.

Amplified instruments are prohibited at all CHSAA post-season events.

**BUS DRIVER**
Bus drivers will be admitted at the competitor gates with proper identification.

**“NO SHIRT” POLICY**
All fans shall wear shirts (and pants) to all high school basketball games.

**GAME TIMES**
Games will not start before the scheduled time, even if the previous game concludes early.

**OFFICIAL SCOREBOOK: very important please take note**
The form you submit for Gate List and Program Information will be given to the Official Scorekeeper if you do not provide the official scorebook the roster information 15 minutes prior to your assigned game time. Only 12 players may be listed in the official scorebook.

**UNIFORMS—NF Rule Book, Rule 3, Sec. 4, Article 1 (pages 23-24)**
The home team must wear white uniforms and the visiting team dark for all post-season contests. Schools should bring their away and home uniforms to each post-season game. Gray (no matter how light) is not considered a home uniform.

**DRESSING ROOMS**
Dressing room assignments will be posted and/or a host will be available for additional information and specific needs you might have.

Please note: schools are expected to take all valuables with them to court side, do NOT leave valuables in your locker room. It is expected that each school will pick up the locker room so it will be clean for the next team to use. Site personnel will check locker rooms after each contest for damage. Schools are liable for any damage to the facilities and a bill will be sent to the school Principal if damages occur.

**TEAM BENCHES**
Team benches will be allocated for 15 individuals only in 3A, 4A and 5A and 13 individuals for 1A and 2A. The home team will sit to the right of the scorer’s table facing the court.

**CHSAA ADMINISTRATOR**
A CHSAA staff member or CHSAA assigned tournament director will be on duty at the following sites: 1A “Great 8” state tournament site, 2A “Great 8” state tournament site, 3A “Great 8” state tournament site, 4A Final Four state tournament site, 5A “Great 8”, and “Final Four” state tournament sites. Any specific problems or questions should be directed to these individuals.
STUDENT TICKETS AT FINAL WEEK SITES – 4A/5A ONLY
Schools may order student tickets in advance by going to the link provided by AXS the week of Great 8 and Championship Weekend. This link will be e-mailed out by Whitney Webermeier.

DOCTORS/TRAINERS
CHSAA will hire trainers for each Great 8 (except 4A which is a local host) and Final 4 site to take care of injuries that might occur. Teams should have a medicine kit and supplies with them for taping purposes, etc. You may bring a trainer as a member of your allotted number of people on your gate list.

NATIONAL ANTHEM/GOD BLESS AMERICA
The National Anthem will be presented before the first game each day, and will follow the team warm-ups and introductions. (Subject to change by the CHSAA.)

DUNKING
It is the coaches’ responsibilities to make sure the players do not dunk during warm-ups—before the game or during halftimes or during halftime of the preceding game. Leagues and Directors of Athletics are encouraged to educate their coaches to enforce this rule.

It is the responsibility of the head coach to enforce this rule. Technical fouls may be assessed to the head coach of the offending team for lack of compliance.

RESERVED SEATING (4A/5A Final 4)
Denver Coliseum has specified reserved seating for all sessions. Please DO NOT sit in these seats without a reserved ticket, even if they are empty. People have paid for these seats in advance and deserve the opportunity to come and go at their leisure without conflict, just as they do at college and professional games.

HIGH SCHOOL STUDENT SEATING
All final week venues and most post season venues will have specified seating for high school students supporting their schools at each session. Please work with the site directors to assist them in getting high school students into the appropriate seating section for your school.

Student sections will be further clarified at 4A/5A Final Four meeting on Monday of finals week. For 1A, 2A, and 3A teams, student seating will be assigned on site.

VIDEO Taping
Coaches or players may not view tapes of their team’s game until after the game. Taping of the games in which your own team is allowed. State tournament sites will not furnish power outlets for filming purposes, so please prepare accordingly.

VIDEO CAMERAS AND CAMERAS
Cameras are permitted at all sites. Media cameras with a flash are prohibited at all venues. Hand held video cameras are permitted at all sites. Please notify parents and fans that tripod equipment is not permitted in the stands. Only one team videographer is allowed at each site and the site director at each site will designate the location for team videographer.

PROHIBITIONS
CHSAA rules against videotaping opponents have been eliminated, but all sport rules pertaining to videotaping and the use of that material for coaching purposes will be strictly enforced.

HALF-TIME ENTERTAINMENT
Half-time activities must be approved by the site director at each site and by the CHSAA office at all final week sites. When half-time activities are allowed the following guidelines will be in effect.

a. **Home Team**: spirit line, cheerleaders, and pep bands may perform the first three (3) minutes of the half-time.
b. **Visiting Team**: spirit line, cheerleaders, and pep bands may perform the next three (3) minutes of the half-time.
c. Total half-time performance(s) will be no more than six (6) minutes.
d. Any CD music to be used at half-time should be clearly marked, ready to play at the appropriate place on the CD and should be given to the site director or the site person responsible for half-time performances.

**PEP BAND GUIDELINES**

Only 35 pep band members, and the director, will be admitted at no charge to the state playoffs, providing each member of said groups complies with the following conditions. Additional members may attend at the student fee at the discretion of host administrator based on facility space consideration.

1. The site director is notified in advance and the group appears at the entrance designated by the site director.
2. Band members must have an instrument in possession and be accompanied by the director.
3. All performing groups (i.e., dance groups, pom pons, flag teams, drill teams, winter percussion, etc.) must make previous arrangements with the site director. The site director will arrange for admission either by passes, gate list, or other means.
4. When marching bands are required to attend football playoff events, will be admitted at the discretion of the site director and are not limited to the 35 member maximum for pep bands.
5. The CHSAA defines a pep band as a musical group from the school's music program and designed to perform before games, at time outs and halftime (sharing time with opposing school's pep band). The number of members allowed is 35, must have typical pep band instrumentation (50% wind instruments is minimum).
6. In the event that a percussion ensemble is deemed to be the school's spirit ensemble (pep band), membership should not exceed 20 members total. Ensembles larger than 20 will need to petition an extension to the site host.
7. The pep band must be under the direction of the school band director or his/her designated certified staff member.
8. Marching Bands/Pep Bands are asked to observe the following:
   i. Play only at pre-game, time-outs and intermissions during games. At no time can bands, percussion, any part of an instrument perform while the ball is in play.
   ii. To give consideration to other bands in attendance. Every school should have the opportunity to complete a cheer and to have its band play. (A meeting of the band directors prior to the start of the contest always helps to ensure good sportsmanship).
   iii. Do not allow band instruments, drums, etc., to be used as noise makers...No amplified instruments allowed at state tournaments.

**PRE-GAME SITUATIONS**

CHSAA policy confines teams to their own free-throw semi-circle for pre-game huddles or rituals.

Coaches, note that your team is restricted to the free-throw circle nearest your bench during pre-game introductions and other times when both teams are on the floor and the center circle is off limits. This does
allow players to shake hands at the center circle during introductions and then move toward their respective free-throw circle nearest their bench.

Coaches should take an active role and establish guidelines for their team and permit only those pre-game rituals that promote sporting behavior and cannot be interpreted as taunting or baiting the opponent.

Officials will be prepared to assess a technical foul to a team or team member demonstrating these unsporting acts. The specific inappropriate actions of a few team members may be individually penalized or the entire team may be assessed one technical foul if they collectively engage in any inappropriate behavior(s). Since all team members are considered bench personnel before the game and during intermissions, the head coach would also be charged indirectly with the technical foul (NF rule reference: page 17, 2-8-1; page 63, 10-4-1d).

**WARM-UPS—HALF-TIME & BEFORE GAME TIME**

Teams will warm up at the basket nearest their team bench at half-time of the preceding game if they choose and are allowed by game administration. Prior to the start of the game, teams will warm-up at the basket that is further from their benches. Teams playing the day’s first games will be permitted on the playing courts for warm-ups no earlier than 30 minutes prior to the start of the contest.

After the first game, up to twelve (12) minutes will be put on the clock for warm-up. Team introductions will follow the warm-up period with the visiting team non-starters being introduced first, followed by home team non-starters. Then, starters will be introduced on an alternating basis and they should shake hands at mid-court. (1A, 2A and 3A teams will have 10-minute warm-ups because of the number of games to be played). Class 4A, 5A live televised games will have a minimum of 12 minutes between games (adjustments may be made on site to stay close to time schedule).

**INCLEMENT WEATHER POLICY—CHSAA Handbook**

The following policy statements represent the general operating procedures of the CHSAA regarding post-season competition that is threatened by inclement weather. Circumstances not covered by this policy are left to the discretion of the CHSAA office.

Tournaments - In the event inclement weather prevents a team(s) from arriving on time for a scheduled contest as part of a post-season tournament, the following steps will be enacted:

a. Notify the tournament director or designee with complete details a minimum of four hours before the scheduled starting time the day the tournament is to begin and/or other affected days of the tournament.
b. If unable to arrive for the scheduled starting time, that segment of the bracket (game) will be moved to a later time slot that evening following the completion of scheduled contests.
c. In the event “b” is not possible, the game(s) will be rescheduled the following morning—where the schedule permits—at a time to be set by the tournament director.
d. In the event “c” is not possible and the contest(s) cannot be rescheduled due to facility and/or schedule conflicts, etc., the contest shall be declared a forfeit. When a consolation bracket is available, the team unable to make the contest will enter the consolation bracket.
e. When the number of schools participating is 25% or more that are unable to be present, the tournament/conference director, in consultation with the CHSAA, shall postpone all or part of the day’s contests/activities. The director, in consultation with the CHSAA, which may include extending the contest/tournament, shall determine alternative brackets and time schedules.

**SPIRIT TEAMS AT STATE BASKETBALL CHAMPIONSHIPS**
• Roster maximum is 25 for cheer/pom members (see the spirit bulletin) and two coaches will be admitted at "No Charge" at the designated spirit/band entrance. Additional cheer/pom members must pay the student ticket prices at the main ticket entrance. Once the cheer/pom athlete has purchased their ticket they must return to the designated spirit/band entrance, at that time they will exchange their ticket for a hand stamp.

• Only bona-fide members of the cheer/pom team will be allowed on the floor to support them. Non-members will not be allowed to stand on-sidelines or tumble at any time during the game.

• Cheer and Pom athletes cannot exceed 8-12, depending on classification, while performing on the floor. CHSAA administrators and/or officials can decrease the number of athletes allowed on the floor. The SCHOOL becomes responsible for adjustments based on numbers allowed on the floor, should numbers be decreased.

• Cheer and tumbling routines must be performed in front of the spirit teams' home crowd. Routines and tumbling passes that cross to side of the opposing crowd or team are prohibited.

• Cheer/Pom teams can be on-court/tumble for team introductions.

• Cheer Teams cannot perform basket tosses/or similar stunts or anything that you release, and don’t have control of on the hardwood/basketball surface.

• Spirit teams must remain outside the playing area during a 30-second or less time-out in a basketball game (NFHS Rule 2-1-10, Spirit Bulletin)

• Megaphones may be used by team members only. No artificial noisemakers in stands

• **Spirit teams must not stand on or behind the free throw lane extended this means directly behind the basket. Spirit teams can be designated to stand where facility manager and/or officials dictate. The safest area based on team size is on the sides of the free throw lane extended.**

• Cheer/Pom teams are encouraged to direct "School" sportsmanship. Not to cheer during free throws, during injuries, when opposing players make mistakes or are penalized, and during announcements. They should cheer for their team's success/encouragement and should deflect crowd control with positive cheers in tense situations.

**OFFICIALS:** Officials have jurisdiction of the game once started and can direct spirit teams to any designated area.

**WHEN TO CHEER**
1. As your team comes on the floor or field.
2. When your team or a player makes an exceptional play.
3. When a substitution is made on your team. When appropriate, cheer outgoing player and incoming player.
4. As encouragement and tribute to an injured player when that player leaves the game.
5. When an opponent, who has played spectacularly, leaves the game.
6. As encouragement to own team in its drive for a score.
7. As encouragement to own team in defense of its goal.

**WHEN NOT TO CHEER**
1. When a player is attempting a free throw, the quarterback is calling signals at the line of scrimmage, a server is about to serve in volleyball, a diver is ready to perform, etc.
2. When an opposing player makes a mistake or the opposing team is being penalized.
3. When an opposing player is injured.
4. As important announcements are being made over the public-address system.
5. When an unsportsmanlike act has occurred or is occurring.
6. When it is determined by game administration or game officials that there is not sufficient room along a court sideline or baseline for officials to perform their duties as game officials.

WHEN TO PERFORM
Spirit teams should be aware of the time available to perform. Appropriate situations for routines are: pre-game, full 60-second time-outs, between quarters, at half-time and post-game. National Federation rules state cheers cannot be performed on the playing court area during a 30-second time out.

Bands will not be allowed to use amplifiers or power packs or anything else that is considered to be a disruptive noisemaker.

Drums and other musical instruments are not to be used as noisemakers.

The various tournament committees will establish pep band and spirit team limits for district tournaments. You should contact the site director for additional information.

Note: Enforcing and implementing the requirements and eligibility for band students and spirit athletes is the responsibility of the school. Athletic/Activities directors and/or principals as asked to ensure the requirements are met.

CHAMPIONSHIP GAME PRESENTATIONS
At the conclusion of a Championship Event the following will occur:

➢ The school administration from both participating schools should instruct their students not to enter the playing surface prior to the game’s end. School personnel and game security is to assist facility security in keeping students and fans off the playing surface until the awards ceremony is completed.

➢ Both teams are encouraged to celebrate the occasion among themselves with their coaching staff.

➢ Immediately, at the conclusion of the team handshake, the announcer will use the script prepared by the CHSAA to award the state runner-up trophy. All team members and coaching staff of the runner-up team will move to be awarded the runner-up trophy and pose for pictures as needed. The second place team is expected to participate in the awards ceremony.

➢ Immediately, at the conclusion of the team runner-up trophy presentation, the announcer will award the state championship trophy following the prepared script.

➢ All team members and coaches of the championship team will move to receive the trophy and pose for pictures, as needed. Teams will also line-up to shake the opposing teams hands.

Note: This award process will take approximately 10 minutes at the conclusion of the contest. Teams are not to cut down the nets. A new net will be given with each championship trophy. This is important for liability reasons.
