

NFHS Music Compliance Instructions

NEW this year with your State Spirit Registration, is a **MANDATORY** upload of your licensing information to the brand new NFHS Copyright Compliance Database found at www.NFHS.org. You must click on the **Resources** tab and then find the "**Copyright Compliance**" link. It will prompt you to create an account and login with the NFHS. When you get to the database, you will need to do the following steps:

1. Manage/create your school,
2. Add/manage an ensemble (group) and indicate whether you have a cheer or dance team,
3. Add your music/license information under "manage selections".
4. Once this is all complete, you will go to "Search Events" and look under "Colorado" for the CHSAA State Spirit Championships 2017. You will then click "View/Attend" to add your team into the championships.
5. The DEADLINE for submitting your information into this NFHS database is October 21st – along with your CHSAA registration.

It is strongly recommended that you complete the free "Understanding Copyright and Compliance Course" offered through the NFHS. After you have uploaded your licensing information you can follow the link [HERE](#) and sign in to take the course.
