

# HIGH JUMP

A few reminders before we begin competition:

Make certain that you are legal as pertains to the uniform rule---, school issued uniform, any undergarments of a single, solid color with a single manufacturer's logo.

No electronic devices in the area of competition. You may view video or pictures of yourself or other competitors during the competition, but only in an unrestricted area and not during a trial.

Once called, you will have one minute to initiate your trial. If you wish to pass at a certain height, communicate that to me before you are called for an attempt. If you wish to be excused to compete in another event, please let me know.

If you have passed three consecutive heights after the competition has begun, you are permitted one warm-up jump without the crossbar in place, but you must then enter the competition at that height. Such a warm-up must be taken at a height change.

If you break the plane of the crossbar and touch the pit or the ground beyond the plane of the crossbar, it counts as a miss.

The athlete will Not check out until the third call, must check out with the event official, that time indicated on the event sheet. The athlete must return within 5 minutes of the finish of the last heat of their event and two minutes after completing their attempt in another field event.

Are there any questions?

GOOD LUCK TO EACH OF YOU AND ENJOY THE COMPETITION.
