

# LEAVE A BALL BEHIND

HIGH SCHOOLS • JUNIOR CLUBS • TEAMS • COACHES

*All helping to share their love for the sport of volleyball with children less fortunate who deserve the chance to play the game.*

Together with CHSAA, USA Volleyball is working to bring the sport to thousands of children in the United States and worldwide.

The Leave a Ball Behind program provides children in underserved parts of the United States and countries across the globe the opportunity to play and enjoy the sport of volleyball. Leave a Ball Behind concentrates its support on Iraq and Afghanistan, as well as Haiti and other countries in the Caribbean and North and South America.

**DONATE** a gently used volleyball signed with messages of **encouragement** and **hope**.

Your **generosity** will provide children an **opportunity** to play the game of

**VOLLEYBALL** that they may never have had before.
