MAJOR COMMITTEE REPORT CHANGES

The CHSAA Constitution and Bylaws are the official rules of the Association. Information in this bulletin provides the regulations for volleyball competition, but never supersedes the regulations found in the Constitution and Bylaws.

Included in the school boxes is an official copy of the CHSAA Handbook Constitution and Bylaws. Handbooks are also available online at www.CHSAANow.com by selecting Bylaws. Checking eligibility is not the sole responsibility of the athletic director. It is the responsibility of the coach to know the information found in the Constitution and Bylaws. Therefore, the Bylaws should be read prior to the season.

We encourage the telephone calls on areas of eligibility be made by the school athletic director or designated administrator; rulings on season policies can be made by the volleyball coach. Please contact Bethany Brookens, Assistant Commissioner for volleyball.

MAJOR CHANGES FROM LAST YEAR’S REPORT:

A. Changed the official CHSAA state volleyball color.
B. AMENDED April 2019: When mutual agreement cannot be reached for the Regional Volleyball tournament, and travel distance for any team is 150 miles or greater, then the Regional tournament will be played on Saturday. A Friday Regional tournament will be considered a reasonable option if travel distance is under 150 miles for all teams involved.

RATIONALE FOR MAJOR CHANGES:

A. Moved from an all-white ball to red/white/navy for better visibility.
B. To help with teams traveling far distances.

VOLLEYBALL COACHES & PROFESSIONALISM AT THE STATE TOURNAMENT

Professional attire and demeanor is expected at all matches, especially at the CHSAA State Volleyball Championships. Coaches are expected to dress professionally and not in athletic gear for the state tournament. This includes school t-shirts, sweatpants and athletic (running) shoes while on the tournament floor.
Welcome to the 2019 volleyball season. As you embark on this season, I wish you and your athletes the best. Your enthusiasm, energy and knowledge will be passed on to your eager athletes. I look forward to a great year of volleyball.

There are several CHSAA bylaws that I want to highlight:

1. **1800.1 (Transfer):** The CHSAA supports school choice in academic pursuits and encourages its student participants to enhance their academic achievement. In concert with this approach, the Association’s philosophy addresses the establishment of a fair playing field for all student athletes. A student who establishes his/her high school eligibility at a member school and subsequently transfers, will be ineligible for varsity competition for 365 days from the date of their transfer, in the sports they participated in during the last 365 days.

2. **1800.4 (Athletic Transfer):** Any transfer substantially motivated by athletic considerations will cause the student to be ineligible for varsity competition for 365 days from the date of the transfer in any sports(s) they participated in during the last 365 days.
   a. A student transferring, moving or for any reason changing to a new school where the student’s non-school coach is also a coach of the school team, is considered to be attending for athletic purposes. The student, as a result of this transfer, will be ineligible for varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer. As used in this Rule, the term “coach” includes any person who coaches, volunteers (regardless of compensation) or assists in any capacity with the coaching or training of the school or non-school team.
   b. For purposes of this Bylaw and its exceptions, no personal relationship or one-on-one/group coaching or individual contact is required for application of this rule. If a coach has any standing with the outside team/organization/business, that coach is considered a coach of that non-school sports team.

3. **1900.5 (8th Grade Contact):** A person, acting in the capacity of the high school coach or serving in a role representing the high school, may have informational meetings anytime with 8th grade students who live in that high school’s attendance area as established by the school district, or with those 8th grade students that have pre-registered to attend that high school; the coach may conduct practice with those eighth graders starting May 1. This contact may include currently registered underclassmen. The Sunday Contact rule applies to this contact.

4. **2860 (Game Contracts):** Member schools shall honor game contracts entered into in good faith, unless a reasonable accommodation between the competing schools is reached or the contest is cancelled due to an act of God which gives league/conference rescheduled contests a priority over non-conference games. Contracts must be written, should be specific with respect to the obligations of each party, and must be signed by the principal or athletic director of each of the contracting schools.
   a. **2860.12 (Game Contracts Penalty):** Schools which violate this regulation will immediately be placed on probation and a $500 reimbursement must be paid to the offended school within 45 days. Schools which violate this regulation will be immediately placed on probation and a $500 reimbursement must be paid to the offended school within 45 days. A second violation of this regulation will result in a school or program being placed on restriction, and a reimbursement of $1,000 must be paid to the offended school. For subsequent violations, please refer to the bylaws.

5. **2210 (Coach Ejection):** A coach ejected from a contest for committing an unsportsmanlike act shall be suspended from coaching for the next regularly scheduled match or contest of the same level. He/she may not coach in any other contest at any level during this time.

6. **2310.5 (Sunday Contact):** SUNDAY CONTACT -- No high school interscholastic contests, practices for interscholastic contests, camps, nor association between participants and coaches/directors of any CHSAA sanctioned activity from the student’s school shall take place on Sunday at any time during the school year. (This is to include both in-season and out-of-season sports/activities other than those noted in the Music Bylaws.) The Commissioner may, when deemed advisable, allow postponed state-level events to be played on Sunday. Teams playing on Monday in district, regional or in a state-culminating event will be exempt from this rule. Note: Penalty for Violation, see Section 2420. Please see your AD for further clarification.

If questions arise and interpretations are needed, please do not hesitate to call the CHSAA office. Please keep in mind that you are our best public relations director. Not only have your peers respected your role as a coach and leader, but also by your students and community members as well.

Before the competitive interscholastic season begins, check to make sure you have not scheduled contests in excess of the game/contest limit for your sport (see CHSAA Sport Bylaws). Teams that have played more contests than allowed in the Sport Bylaws will be restricted from state playoff activities, without appeal. Good luck! Your upcoming season will pass quickly and your efforts and accomplishments will be memorable to those involved in your volleyball program.

Sincerely,

Bethany Brookens
Assistant Commissioner

THINK PINK!

DATE: August 2019
TO: Athletic Directors and Volleyball Coaches
FROM: Bethany Brookens, CHSAA Assistant Commissioner
RE: Breast Cancer Awareness

Thank you for all of your support of Breast Cancer Awareness Month this past year! This fall, during the volleyball season and in conjunction with the American Cancer Society, the CHSAA will once again be promoting breast cancer awareness throughout the month of October. This coincides with National Breast Cancer Awareness month. The purpose of the campaign is to raise breast cancer awareness in young women and their mothers.

We are encouraging schools to “think pink” and come up with a way to promote Breast Cancer Awareness at a home volleyball match during October. This is not mandatory.

All over the country volleyball teams are holding events to support breast cancer awareness, and we would encourage you to promote this as much as you can! Some suggestions are:

“Think Pink” PSA’s and other information may be found on our website. If you have questions, please call me at 303-344-5050 or email bbrookens@chsaa.org. Please do not send any money to this office – each school may distribute funds as they desire.

*Please note the Susan G. Komen Race for the Cure will be held on Sunday, September 8, 2019. You could encourage your athletes and their moms to participate in this event to kick off the week.

**Please note that it’s important not to use the words “XXX for THE CURE” in any of your literature unless you are planning on giving your donations to the Susan G. Komen Foundation. “The CURE” is a trademarked name that cannot be duplicated.
• Before the competitive interscholastic season begins, check to make sure you have not scheduled contests in excess of the set/contest limit for your sport (see CHSAASport Bylaws). *If you have to break a contract, your school will be responsible for a “reimbursement fee” to the offended school ($500-$1,000), and will be placed on probation or restriction.*

• It is strongly recommended that coaches be clear on the number of matches their team will play in a given tournament. This information must be included in the tournament contract.

• *Member schools that are in a classification that do not have a district tournament (2A-5A) shall not participate in more than 23 matches, exclusive of regional and state contests during a season.*

  *Member schools that are in a classification that have a district tournament (1A) shall not participate in more than 19 matches, exclusive of district, regional and state contests during a season.*

  *All JV level teams or below are only allowed a maximum of 19 matches.*

• A student may not participate in more than 95 sets exclusive of district, regional and state tournament matches if the school at which the student plays is in a classification that has a district tournament (1A).

  *A student may not participate in more than 115 sets exclusive of regional and state tournament matches if the school at which the student participates is in a classification that does not have a district tournament (2A-5A)*

• **Teams that have played more contests than allowed in the Sport Bylaws will be restricted from playoff activities, without appeal.**

• Volleyball rally scoring scorebooks can be purchased from the National Federation at 1-800-776-3462
Welcome Volleyball Coaches,

The 2019-20 season is fast approaching. As officials we have started our training programs in preparation to do our best for you on the court.

NFHS Volleyball New Rules & POE (highlights):

- **Retractable Ceiling Poles, Cables 2-2, 2-3j (NEW), 2-4-1e (NEW), 2-4 PENALTIES 3 (NEW), 9-8-1i** When the volleyball strikes the cables and/or the diagonal poles used to retract ceiling suspended net systems, the referee will stop play and determine if the ball was playable. The referee will signal out-of-bounds if the ball, in the judgement of the official, is not playable or replay if the ball is determined playable.

- **Legal Uniform, 4-2-1, 4-2-1a (NEW), 4-2-1e (NEW), 4-2-2 (NEW)** The libero uniform top must clearly contrast with the uniform top worn by the rest of his/her teammates (excluding trim) and conform to all other uniform rules.

- **4-2-4b**; Eliminates the use of double zero (00) as a uniform number option.

- **Roster and Lineup 5-5-1b; 5-6-1b; 7-1-1a; 7-1-1 PENALTIES 1; 7-1-2; 7-1-4; 7-1-4 penalties 1,2** The second referee shall collect team rosters at the pre-match conference. Lineups for each set will also be given to the R2 by the appropriate deadline.

Ray Lameiro, CVOA State Volleyball Rules Interpreter, will be at the CHSCA Multi-sport clinic on July 26, 2019, 3 PM at the Radisson to review and answer any questions you may have on the new rules.

All CVOA officials are required to attend study sessions, a regional clinic, and pass the NFHS volleyball test, as well as a complete review and application of all rules and points of emphasis from NFHS.

As we prepare for the season one of our top priorities is recruitment. We ask all parties connected with the sport of volleyball to reach out to those around us; get them interested in giving back to the sport as a referee. Maybe you know a former player, former coach, family member or friend that enjoys the sport and would love to work with interscholastic athletes.

Please have them contact us at recruiting@cvoaref.org.

I will attend the CHSCA Multi-sport clinic on July 26, 2019 to answer any questions you may have. I look forward to seeing many of you on the court this year.

Cordially,

Bruce Bird, President
Colorado Volleyball Officials Association
president@cvoaref.org
2-2-2, 2-3j (NEW), 2-4-1e(NEW), 2-4 PENALTIES 3 (NEW), 9-8-1i: When the ball strikes the cables and/or the diagonal poles used to retract ceiling suspended net systems the referee will stop play and determine if the ball was playable. The referee will signal out-of-bounds or replay.

**Rationale:** Establishes the cables and diagonal poles used to retract suspended net systems as restricted play and aligns officials’ treatment of a ball striking either the cables and/or the diagonal poles.

4-2-1, 4-2-1a (NEW), 4-2-1e (NEW), 4-2-2 (NEW): Eliminates the solid-colored uniform requirements, establishes that the libero uniform must clearly contrast with his/her teammates’ uniforms and reorganizes the legal uniform rule.

**Rationale:** Clarifies the requirements for all legal uniforms and simplifies the requirements for the contrasting libero uniform maintaining the compliance of all currently compliant team and libero uniform jerseys.

4-2-4b: Eliminates the use of double zero (00) as a uniform number option.

**Rationale:** Eliminates confusion surrounding the signaling of “00” and “0”.

4-2-4c: Beginning with the 2023 season the body of the uniform number must clearly contrast with the uniform top regardless of borders. This will eliminate the allowance of borders to provide contrast between the number and the uniform number.

**Rationale:** Allows officials and scorers to easily identify uniform numbers.

5-5-1b; 5-6-1b; 7-1-1a; 7-1 PENALTIES 1; 7-1-2; 7-1-4; 7-1-4 PENALTIES 1, 2: Requires the second referee to collect team rosters at the prematch conference while allowing changes to be made until 10 minutes remain on the pregame clock and establishes lineups to be submitted to the second referee before each set.

**Rationale:** Eliminates warmup interruptions by officials requesting rosters with 10 minutes remaining on the warmup clock, allowing for a smoother warmup process for coaches, players, officials and scorers.

5-9-2a NOTE: Establishes that the line judge shall take their position and move in line with the extension of the end line when the ball is being served near the line judge’s position replacing the old technique to move directly back in line with the sideline.

**Rationale:** Allows the line judge to watch for foot contact with the end line and move quickly back for a view of the sideline. This is a more appropriate position and transition for line judges.

8-1-6, 8-2-5g (NEW), 8-2-6d: Establishes that the ball remains dead when tossed for serve and it touches any part of the backboard or supports hanging in a vertical position over the serving area and is an illegal serve (Signal 13) and not a service fault.

**Rationale:** Accurately reflects the action since the ball is not contacted for serve.

### 2019-20 VOLLEYBALL MAJOR EDITORIAL CHANGES

2-1-5: Clarifies that the attack line shall be measured from the edge of the attack line farthest from the center line to the axis of the center line.

4-2-7: Clarifies the penalty for the removal of any part of the uniform top or bottom as a yellow card charged to the coach for unsporting conduct.

5-5-3b(26): Provides additional instructions for the second referee when conducting the coin toss prior to the deciding set by requiring the second referee to communicate with the first referee the serving team and the proper team benches.

8-1-6, 8-2-5g: Establishes the proper signal for a tossed ball that contacts a backboard or its supports hanging in a vertical position over the serving area is officials signal 13.

**NFHS Official Signals Chart:** Removes signal 7 “Legal Back-Row Attack” from the chart and establishes the signal as an informal officials’ signal in the NFHS Officials Manual renumbering remaining signals.

### 2019-20 Volleyball Editorial Changes

2-4-1b; 5-2-1b; 10-2 PENALTIES 2; 11-4-2; 12-2 PENALTIES 1a, b; Scoring Section; Officials Signals 19A

### 2019-20 Volleyball Points of Emphasis

1. Informal Officials Signals
2. Ball-handling
3. Side Folding Retractable Backboards
FOR IMMEDIATE RELEASE

INDIANAPOLIS, IN (November 6, 2019) — An overhaul of uniform-related rules and an adjustment to team roster submissions were among the most notable rules changes identified for the 2019-20 high school volleyball season.

All rules changes were recommended by the National Federation of State High School Associations (NFHS) Volleyball Rules Committee at its January 6-8 meeting in Indianapolis and subsequently approved by the NFHS Board of Directors.

“The sport of volleyball continues to be in a really good place,” said Lindsey Atkinson, NFHS director of sports and liaison to the Volleyball Rules Committee. “The rules committee focused its changes this year on improving the administration of the match by taking into account the feedback it received via the 2018 NFHS Volleyball Rules Questionnaire.”

The changes in uniform rules are a part of Rule 4-2, which reorganizes the uniform rule to improve understanding and eliminate solid-colored uniform requirements.

Rule 4-2-1, which permits teammates to wear like-colored uniform pieces, was expanded to include all uniforms and involves nine guidelines.

Rule 4-2-1a states that all uniform tops (with the exception of the libero, as noted in Rule 4-2-2) and bottoms shall be like-colored. Rule 4-2-1e permits the top and/or bottom of all uniforms to include the school’s name, nickname, logo, mascot and/or team member’s name. In doing so, a single mascot reference and/or school name may be placed on the sleeve(s), and shall not exceed either 4 inches by 4 inches or 3 inches by 5 inches.

“The rules committee was very deliberate and measured in their language choices to ensure that
all currently compliant libero and team uniforms will be compliant under the new rule,” Atkinson said. “The committee believes that this new rule will, in fact, be easier to apply and require less policing by both officials and state associations.”

In Rule 4-2-2, the libero’s uniform must clearly contrast from the predominant color(s) of the team uniform top, excluding trim. The libero’s uniform top cannot be made up solely of the same predominant color(s) of the team’s uniform top, even if the like color(s) are placed differently on the uniform top. Furthermore, numbers shall meet all specifications in Rule 4-2-4, which removes the option for players to wear No. 00 to eliminate confusion surrounding the signaling of the number.

Beginning July 1, 2023, a plain, Arabic numeral of a solid, clearly contrasting color from the body of the uniform will be required. The change eliminates the use of a border to create the number contrast, therefore, allowing officials and scorers to easily identify uniforms numbers while aligning the rule with that of other rules codes.

In dealing with the submission of team rosters, sections of Rules 5-7 were modified to eliminate warmup interruptions by officials requesting rosters with 10 minutes remaining on the warmup clock. The change creates a smoother warmup process for coaches, players and officials.

Rules 5-5-1b, 5-6-1b and 7-1-1a clarified the specific duties of the second referee, official scorer and coach during the prematch setting. Before the match, the second referee shall assist the first referee by collecting each team roster during the timed prematch conference and supervise the placement of the officials’ table and team benches.

As part of Rule 5-6-1b, the official scorer shall now also receive each team’s roster from the second referee at the conclusion of the prematch conference. In Rule 7-1-1a, a coach from each team shall submit in writing to the second referee an accurate roster with names and uniform numbers of all players during the timed prematch conference. Roster changes may be made until 10 minutes remain on the pregame clock.

“The logistical change of when, and to whom, the roster shall be submitted was again the result of questionnaire feedback,” Atkinson said. “In an effort to improve the flow of the prematch requirements, the committee felt that the submission of the roster as a part of the prematch conference, with the ability to make changes until 10 minutes remaining on the clock, allowed for a more efficient process and alleviated the scorer of the responsibility to collect team rosters.”

The committee made additional changes that impact officials, including aligning rules regarding the treatment by officials of a ball striking either the cables and/or the diagonal poles used to retract ceiling-suspended net systems. This change in Rules 2-3j, 2-4-1e and 2-4 PENALTY 3 treats cables and diagonal poles as restricted play at which time officials must determine if the ball was playable. The
committee’s change to Rule 5-9-2 NOTE places the line judge in a more appropriate position to watch for foot contact with the end line, as well as allowing him or her to quickly transition back into position for a view of the sideline.

The final change involved the removal of Rule 8-2-6d and adoption of new Rule 8-2-5g, which establishes that a serve is illegal, and the ball remains dead, if the server tosses the ball for serve and the ball touches any part of a backboard or its supports hanging in a vertical position over the serving area and not a service fault.

A complete listing of the volleyball rules changes will be available on the NFHS website at www.nfhs.org. Click on “Activities & Sports” at the top of the home page and select “Volleyball.”

According to the 2017-18 NFHS High School Athletics Participation Survey, volleyball is the second-most popular sports for girls (trailing track and field) with 446,583 participants in 16,434 schools nationwide. In addition, there are 60,976 boys participating in the sport at 2,472 schools, and 24 states conduct state championships in boys volleyball.

PLAYER BENCH OCCUPANTS
Teams will always be seated on the same side of the net as they play.

During the contests, the player bench may be occupied only by the following: eligible substitutes, coach, assistant coaches, faculty representatives, team managers, team statisticians and scorekeeper, team trainer or doctor, and disqualified players, unless they have been instructed to remove themselves from the player bench.

WARM-UP
There will be a maximum 15 minute warm-up period between matches unless the scheduled start time dictates otherwise. The 15 minutes will begin as soon as the court is cleared from the preceding match. It is the responsibility of the home site’s administrator to oversee warm-up time.

The following format is highly recommended:
- 5 minutes – Both teams on their side of the court.
- 5 minutes – Visiting team both sides of the court (including serving).
- 5 minutes – Home team both sides of the court.

PENALTY FOR LEAVING THE PLAYING FLOOR BEFORE MATCH IS COMPLETED
Withdrawing a team from the playing floor before the completion of a contest can have great consequences. The CHSAA Constitution and Bylaws state: “No member school may withdraw its team from an athletic contest prior to the termination of the contest, except by mutual consent of the responsible faculty representatives from the participating schools.”

DISQUALIFICATION FOR UNSPORTSMANLIKE CONDUCT
Any player who has been ejected from a match or tournament for committing any unsportsmanlike act shall be disqualified for the remainder of that match or contest. In addition, the player shall be ineligible for the next regularly scheduled match or contest of the same level (sophomore, junior varsity, or varsity). She may not take part in any other sets or contests at any level during this time. The number of matches, meets or contests for which the participant has been declared ineligible will decrease the stated maximum allowable matches, meets or contests in each sport for the disqualified participant. A school may not schedule a contest after an ejection in order to circumvent the penalty.

If such ejection occurs in the final match or contest of the season, then that player shall be ineligible for the first match or contest of the next season of sport that player elects to play. In satisfying the penalty, the player must sit out a set in a sport in which she completes the season.

Any player ejected from a second match or contest during the same season shall be ineligible for the next two matches or contests of the same level. Any player ejected from a third match or contest during the same season shall be subject to a penalty to be determined by the Commissioner.

PROTOCOL FOR DISQUALIFICATION/EJECTION OF A PLAYER OR COACH
For all sports, a player ejected from a contest must be escorted to the bench by a game official and remains there supervised by a bench coach.

A coach ejected or disqualified (some NFHS rules books use the word disqualification in lieu of ejection) from a contest must be removed from the playing facility or confines and be prohibited from any further contact, with the team, direct or indirect, during the remainder of the game. For failure of the coach to comply, the game official may forfeit the contest.
**VOLLEYBALL UNIFORMS**
Please be sure to check the uniform regulations found in the NFHS Volleyball Rules Book. It is highly recommended that you give the manufacturer a copy of the rules book when you order new uniforms. **DO NOT HAVE YOUR UNIFORM MANUFACTURER CALL THE CHSAA OFFICE WITH QUESTIONS. WE WILL NOT BE LIABLE FOR ILLEGAL UNIFORMS. **SCHOOLS SHOULD CONTACT THE CHSAA OFFICE DIRECTLY TO ENSURE COMPLIANCE. ** Although like uniforms are preferred at all levels, varsity is the only level that will be penalized for uniform violations.

**SCORING FOR SUB-VARSITY MATCHES**
It is strongly recommended that 2 out of 3 sets be played at all sub-varsity levels to enhance time management constraints. Further recommendations to shorten nights include:
1. Go to fewer points such as 15 or 21 (can have a cap such as 15 points or 21) Therefore, teams could win 15-14 or 21-20; you don’t have to win by 2 points if there is a cap.
2. Monitor warm-up time between matches.
3. Flip coins before the first sub-varsity match for all matches that will be played that evening/day.
4. Use of multiple nets and/or gymnasiums where available.

* Play is recommended for Saturdays to decrease the amount of school missed and alleviate travel time.

* If a team from a league that has adopted a certain format plays a team from a league that has adopted a different format the two coaches must agree before the match begins. Otherwise it will be 3 out of 5 sets to 25 points (no cap) with the deciding set to 15 points (no cap).
**CHSAA Emergency Action Plan** *(Template link)*

Every member school is required to create a venue-specific Emergency Action Plan (VEAP) for each site that the member school practices and hosts athletic contest. *(Please use this template that has been created for consistency).*

The VEAP must include location, emergency access, emergency contact information and a listing of each member in protocol's duties. An Annual VEAP training must take place no less than one time a year.

This plan must be completed for all on-site and off-site practice/competition venues.
The Volleyball Officials’ Organization is a group of people who find satisfaction in associating with high school students and the sport of volleyball.

The ability of the schools to make the work pleasant enough to continue to command the interest of people with good personalities, sincere intentions, and good judgment is a very important factor in the administration of school athletic programs.

With this thought in mind, we would like to bring the following items to your attention:

- **Registered Officials**: Only officials who are registered with the Commissioner may be contracted by member schools to officiate in all varsity and junior varsity interscholastic contests. It is highly recommended that only registered officials be used in any interscholastic contest at the sub-junior varsity levels.

- **Contracts for Contests**: Contracts for matches should be in writing to avoid any misunderstandings as to terms or dates. If possible, send a reminder to the official about the date, time, and location of the contest.

- **Greet Officials**: Have someone available to greet the officials at your school and to direct them to their dressing room. Make checks out in advance and have them available at the conclusion of the varsity match.

- **Meeting Room**: Please provide a private room(s) for the officials as a dressing room and a room to conduct their pre-match conference. All visitors should be kept away.

- **Fees & Mileage**: Please use the current version of the [Officials’ Fees Report in the CHSAA Legislative Council Minutes](http://www2.chsaa.org/coaches/rate-contest-official.asp) for current payment and mileage information.

- The CHSAA and the Colorado Volleyball Officials Association value your input on the officiating in our state. Under [http://www2.chsaa.org/coaches/rate-contest-official.asp](http://www2.chsaa.org/coaches/rate-contest-official.asp) click on Rate Your Contest Officials link. Depending on the browser used, your coach may have print the completed document in a .pdf form and email it to trobinson@chsaa.org. It is important that the coaches approach this with the mindset that constructive criticism is the best way to improve officiating in Colorado.

**State Officials Playoff Voting Information**
State Officials voting will be held October 21-27, 2019. All athletic directors, coaches, and officials are invited to participate.

This is your opportunity to vote for the official you will see in the playoffs. Please take a moment to vote for the best official.
Selection of Scorer-Timer – Assistant Scorer (Libero Tracker)

It is essential to have competent scorers and timers. Please appoint two to three competent and experienced adults. It is essential that these officials thoroughly understand their responsibilities. It is recommended that your official scorer wears identifying apparel and that the scorers’ locations are clearly marked.

If necessary, it is acceptable for your timer to also track the libero (assistant scorekeeper).

Priorities at the Official Table (Scorers’ Bench)

Efficiency-plus is expected at the official’s table. Careful supervision will assure the officials at the table the most desirable, adequate, and pleasant working conditions possible.

DEFINITIONS FOR A SCORER

Serve: Contact with the ball to initiate play.
Point: A point is awarded when the receiving team violates a rule during play.
Penalty Point: A point which is awarded when the receiving team violates a rule during play or a dead ball.
Replay: A replay is the act of putting the ball in play (other than at the start of the set) without awarding a point or a side-out and without a service rotation.
Re-serve: When the server releases the ball for service, then catches it or drops it to the floor.

DEFINITIONS FOR STATISTICIAN

Ace: A serve which lands in the opponent’s court without being touched, or is touched but unable to be kept in play by one receiving team player.
Block: A player or players block the ball into the opponent’s court leading directly to a point or loss of rally.
Assist: A player passes or sets to a teammate who attacks the ball for a kill.
Attack: Any action other than a block or serve that directs the ball toward the opponent’s court.
Dig: An underhand or overhead defensive saving skill resulting from a kill attempt in which the ball is contacted by the forearm(s), fist(s) or hand(s) and allows the ball to remain in play for the next hit.
Kill: An attack by a player that is un-returnable by the receiving player on the opposing team and leads directly to a point or side-out/loss of rally.
Loss of Rally Point: Awarded when the serving team violates a rule during play.
NOTE: A replay does not constitute an attempted serve since the serve did not develop into a point or side-out/loss of rally.
1A DISTRICT VOLLEYBALL INFORMATION

1. **SITES:** District Sites will be selected by the appointed school administrators. Designated school administrators will poll the assigned schools within a district in the spring of the year and report the site to the CHSAA according to the established routine.

2. **QUALIFIERS:** Districts are played for placement of teams into regionals. All Districts will qualify three teams to Regionals.

3. Matches that do not impact the Regional Qualifiers (1st, 2nd, 3rd) will be the best 2 out of 3 sets (3rd set to 25 – no cap), and are not required if mutually agreed upon prior to the District Tournament begins.

4. **OFFICIALS:** Officials will be selected by the district tournament committee. Line judges must be adults. If available, registered officials shall be used. Line judge fees would be part of the host school expenses. Line judges will use flags at the State Tournament. District Site Directors must use flags.

5. **TIE BREAKING PROCEDURE** (see pages 39-40 of this bulletin) must be utilized if needed. The hot line number (720.581.8102) must be used whenever there is a tie to verify tie-breaker accuracy for final standings.

6. **DISTRICT GATELISTS:** Gatelists must be given to the District tournament director prior to when play begins (found online at CHSAANow.com – CHSAA.org – Sports - Volleyball). *They do NOT have to be submitted to the CHSAA office.* District Gatelists may not be changed in between “pigtail” matches and “pool play” matches.

7. **RESULTS IN MAXPREPS** – It is the responsibility of each school advancing to Regionals to make sure their entire team record and results are uploaded into MaxPreps (www.maxpreps.com). E-mailed results to the CHSAA will not be considered for Regional Seeding or State Bracketing.

8. **STATE PROGRAM INFORMATION:** If your team has a chance to qualify for the state tournament, **you must electronically submit the State Volleyball Program Information to the CHSAA office by November 1st, 2019.**

**IMPORTANT DATES**

(No later than 9:00 pm – so CHSAA can run the RPI Rankings that weekend)
• Post and update tournament bracket & time schedule.
• Communicate to participating schools; all schools in your district should know specifics about your facilities, starting time, pairings, exact locations of all sites, etc.
• Ticket/financial reporting (The CHSAA office will email this report to you prior to your district tournament)

• **E-mail Bethany at the CHSAA office [bbrookens.org](mailto:bbrookens.org) the names of the teams advancing to regionals by Sunday, November 3, no later than 6:00 pm.**

It is recommended that Site Directors build in a 15 minute rest period for teams having played back-to-back matches prior to a subsequent match.

**NOTE:** Prior to the District Tournament, the Tournament Director will contact all teams involved and mutually agree to not play any district match that has no bearing on the outcome of the tournament. CHSAA will also be notified of the agreement prior to the District Tournament. If played, the CHSAA Volleyball Committee agreed that - District matches that have no bearing on the outcome of 1st, 2nd and 3rd place will be the best 2/3 sets with the 3rd set played to 25 (no cap).

**PROTECTION OPTIONS FOR DISTRICTS:**

**OPTION A** – If an entire league is assigned to one district, the league may elect to dispense with district tournament play. League standings would then determine the qualifiers.

**OPTION B** – If an entire league is assigned to one district, the league may elect to play a district tournament and guarantee their league champion a regional berth.

  a. The league championship must be won outright, as determined by the league, to guarantee a regional berth.

**OPTION C** – In multi-league districts, there is no qualifier protection; tournaments must be played to determine qualifiers to regionals. Leagues may not supersede this rule.

**DISTRICT PAIRING AND SEEDING PROCEDURES**

District tournament committee may determine pairings according to win/loss records among teams involved, common opponents for the season, or record for the season.

1. Districts must decide and submit their seeding procedures prior to the volleyball districts. Teams will be seeded by the district seeding committees.

2. If there is one outside team in the district and if there is not unanimous agreement by all participants in the district regarding how this team is to be seeded, the outside team will be placed in a pool as either the #3 or #6 seed per their league winning percentage, overall record, and/or head-to-head competition within teams in the district.

3. If there are two outside teams in the district and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, the outside teams will be placed in opposite pools with one team seeded #3 or #6, and the other team seeded #4 or #5 according to the league winning percentage, overall records, and/or head-to-head competition.

4. If there are three outside teams in the district and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, two will be placed in one pool and the other one in the opposite pool according to league winning percentage, overall records, head to head competition, league finishes, etc.
**WARM-UP**

There will be a maximum 15 minute warm-up period between matches unless the scheduled start time dictates otherwise. The 15 minutes will begin as soon as the court is cleared from the preceding match and the coin toss is conducted. It is the responsibility of the home site's management to oversee warm-up time.

The following format is **highly recommended**:
- 5 minutes – Both teams on their side of the court.
- 5 minutes – Visiting team both sides of the court (including serving).
- 5 minutes – Home team both sides of the court.

**TEAM PRACTICE**

Schools are not permitted to practice at their district site the week of the tournaments. Teams that normally practice and/or play at these sites are exempt from this policy.

**CONTESTANTS’ ROSTERS**

Each school may suit up 14 players for the tournament. Once the 14 players’ names are placed in the score book for the first match at the District Volleyball Tournament, no other names may be entered the remainder of the tournament (pigtail matches are considered part of the District tournament). Names on a team may change between district, regional, and state.

**FORMAT**

*It is strongly recommended that all districts be played on Saturday (whenever possible).* If a district elects to use the pool play format, the following formula is based upon the number of teams in a district. It is up to each District Committee to determine how the 3 Regional Qualifiers are determined.

A. **Four teams** - total (six matches of a round robin format). One court recommended.
B. **Five teams** - recommend a pigtail to get to four teams. Pigtail is one match plus six matches; total (seven matches).
C. **Six teams** - two pools of three teams (1, 4, 6 in one pool; 2, 3, 5 in the other pool) - (six matches plus two matches for cross-bracketing between the pools); total (eight matches). Two courts recommended.
D. **Seven teams** - recommend a pigtail to get to six teams. Two pools of three teams (six matches plus three matches for cross-bracketing between the pools, plus one pigtail); total (ten matches).
E. **Eight teams** - two pools of four teams (1, 4, 5, 8 in one pool; 2, 3, 6, 7 in the other pool) - (six matches per pool = twelve matches) plus four matches for cross-bracketing between pools; total (sixteen matches).
F. **Nine teams** - #8 will pigtail with #9 to arrive at 8 teams - 2 pools of four teams (1,4, 5, 8 in one pool; 2, 3, 6, 7 in the other pool) - (six matches per pool = twelve matches) plus three matches for cross-bracketing between pools, plus one pigtail; total (sixteen matches).
**Pool Play Format Example:**
Six Teams – Two pools of three teams – Pool I: 1, 4, 6 – Pool II: 2, 3, 5; then cross bracket between pools as listed below. Using two nets, five time slots are required.

**TIES**

Ties are not considered; the tie-breaker method (for tournament competition) must be used for all Post-Season Tournaments. The hot line number (720-581-8102 or 303-344-5050) must be used whenever there is a tie to verify tie-breaker accuracy for final standings (see Tiebreaking Procedure in this bulletin).

**TEAMS QUALIFYING FOR REGIONALS**

All teams qualifying to regional tournaments must make sure their season records through districts (including non-league matches), are uploaded to MaxPreps by 9:00 pm Saturday, November 2nd. Each individual school is responsible for their own results. E-mailed results will not be considered for the Regional or State Tournaments.
DISTRICT CLASS 1A (1-87)
65 Schools

Every district will qualify three teams to regionals. Single elimination may be used in preliminary rounds. Round robin or pool play is recommended in following rounds. District play will be 3 out of 5 sets to 25 points with a deciding set to 15 points using rally scoring (no cap). Matches that do not impact the 1st, 2nd, or 3rd place qualifiers will be the best 2 out of 3 sets (3rd set to 25 – no cap).

1A Pigtails
If there is an odd number of teams in a district, pigtails may have to be played to arrive at an even number to lessen the number of matches required, if pool play is selected.

TIES
Ties are not considered; the tie-breaker procedure must be used.
1. Regional sites and officials will be selected by the appointed school administrators. 1A District Winners will earn the right to host Regionals. 2A-5A sites are determined by a Regional Pairings Committee.

2. **QUALIFIERS:** All Regionals have three teams – a total of three matches will be played. All Regional Winners will automatically earn a berth to the State Championships.

3. **OFFICIALS:** Officials will be selected by the regional directors/tournament committee or assignor. Line judges must be adults. If available, registered officials shall be used. Line judge fees would be part of the host school expenses. Line judges will use flags at the State Tournament. Regional Site Directors must use flags.

4. **TIE BREAKING PROCEDURE** must be utilized (see Tie Breaking method in this bulletin). The hot line number (720.581.8102) must be used whenever there is a tie to verify tie-breaker accuracy for final standings.

4. *It is recommended that all Regionals be played on Saturday (whenever possible).* Match times are approximate; pool play 3 out of 5 sets to 25 points with deciding set to 15 points using rally scoring (no cap) will be used for regional play. **NEW:** When mutual agreement cannot be reached for the Regional Volleyball tournament, and travel distance for any team is 150 miles or greater, then the Regional tournament will be played on Saturday. A Friday Regional tournament will be considered a reasonable option if travel distance is under 150 miles for all teams involved.

5. **REGIONAL GATELISTS:** Must be given to the Regional tournament director prior to play begins (found online at CHSAANow.com> CHSAA.org> Sports> Volleyball). **DO NOT SUBMIT THE REGIONAL GATELIST TO THE CHSAA OFFICE.**

6. **RESULTS IN MAXPREPS** – It is the responsibility of each school advancing to the State Tournament to make sure their entire record and results are uploaded into MaxPreps. Emailed results will not be considered for the State Tournament.

With three teams in each Regional, only one court is necessary. Those schools hosting regionals should have adequate seating capacity. Standards without cables attached to floor shall be used for safety reasons.

1. All League Champions will automatically earn a berth to Regionals

2. The remaining teams (up to 36) will be selected based on the CHSAA RPI Rankings published at the end of the regular season.

3. Teams will then be seeded based on the CHSAA Regional Seeding Criteria:
   a. The CHSAA RPI Rankings will be the primary seeding consideration.
   b. The CHSAA Seeding Committee will only make changes based on splitting up league opponents and geographical considerations (if and when possible).

4. Teams seeded No. 1 through 12 will host regionals.

5. All Regional Winners will automatically advance to the State Championships.

TIE BREAKER METHOD (for CHSAA Playoff Competition)

**In the case of a tie, the Tournament Director must call the CHSAA Volleyball Administrator BEFORE the tie breaker in order to verify (720-581-8102). All involved teams must sign off verifying they are in agreement that the tie was broken accurately using the following method.

1. Match record determines the seed for advancement (i.e. match record 3-0, 2-1, 1-2).
2. Always use head-to-head whenever two teams are tied.
3. **REGIONALS & DISTRICTS ONLY:** If there is a three-way tie for only one qualifying spot, OR if there is a three-way tie for two qualifying spots, OR If there is a three-way tie for three qualifying spots, determine set percentage among TIED teams (eliminate non-tied teams). The two lowest set percentage teams will play one set to 25 points (no cap). The winner will then immediately play the highest set percentage team to determine the top seed/qualifying spot in question. If two teams are tied with the highest set percentage, use head-to-head to break the tie. THERE MUST BE TWO, ONE-SET PLAYOFFS.
   a. If tie isn't broken, then same procedure will be followed taking point differential among TIED teams (eliminate non-tied teams).
   b. If the tie isn’t broken, then the same procedure will be followed taking the set percentage among ALL teams.
   c. If tie isn't broken, then a **coin flip** will occur. All three teams will flip at the same time. You must flip until one team flips differently than the other two (i.e. 2 heads and 1 tails). The “odd” team out (tails in this case) will be set aside and the other two will play the first set to 25. The loser will be #3; the winner will then play the “odd” team out one set to 25 to determine #1 and #2.
