

Public Address Announcements – CHSAA Breast Cancer THINK PINK Project

(Please read during the month of October – Put Your School's Name in the Blank)

PSA #1

Good evening ladies and gentlemen, _____ High School and the Colorado High School Activities Association would like to support Breast Cancer Awareness month by encouraging a "Pink" volleyball match to recognize the fight against breast cancer in Colorado.

Please support the "Think Pink" mission that is sponsored by _____ High School and the Colorado High School Activities Association.

PSA #2

Join with _____ High School and the Colorado High School Activities Association this week as we support Breast Cancer Awareness month by encouraging a "Pink" volleyball match to recognize the fight against breast cancer in Colorado.

The goal with the program this week is to create greater awareness among the young women who participate in our volleyball programs and to provide an introduction for discussions about this disease between mothers and daughters.

Please show your appreciation for the players and parents participating in the _____ High School's breast cancer awareness program.

PSA#3

The Colorado High School Activities Association and its 354 member schools remind everyone in attendance that the event tonight is just a game, but the results of _____ High School's participation in the Association's breast cancer awareness program could save lives.
